

President Will Return Here To Convalesce For Several Months

DENVER, Colo. (AP) — President Eisenhower embarked today on his busiest work schedule since he was stricken with a heart attack.

A stepped-up list of callers followed encouraging weekend check-ups and issuance of a declaration of unqualified support for Secretary of State Dulles in advance of the Geneva conference.

The President said Dulles "speaks for me with authority for our country" in the foreign ministers meeting opening Thursday.

Gabriel Hauge and Dr. Arthur F. Burns started a parade of official visitors to Fitzsimons Army Hospital for a conference on economic problems.

Burns chairman of the President's Council of Economic Advisors, and Hauge, Eisenhower's personal economic adviser will precede Henry Cabot Lodge Jr. into the President's sickroom today. Lodge is chief U. S. delegate to the United Nations.

Nine Hours Sleep

The morning medical bulletin on President Eisenhower today said:

"The President had a good night's sleep of nearly nine hours. He awoke feeling refreshed and in a cheerful mood. His condition continues to progress satisfactorily without complications."

The weekend checkups found Eisenhower doing well enough to be flown East between Nov. 5 and Nov. 12. Whether there will be a complete recovery from the heart attack he suffered 30 days ago Dr. Paul Dudley White noted Boston heart specialist reported cannot be determined for another "two or three months."

That was on Saturday when Dr. White met reporters to give them what he called the "good news" about the President's condition.

Will Convalesce Here

Dr. White said the President will be flown East next month, going first to Washington for a day and then to his Gettysburg farm for the period of convalescence.

The President was well enough yesterday to stand upright unaided and step onto a pair of scales. They showed he had dropped to 172½ pounds four less than when he entered the hospital. This news Secretary James C. Hagerty said "is all to the good."

Afterwards the President made public a letter to his Cabinet spelling out Dulles' role of full authority in foreign affairs and calling for the full support of his colleagues in the administration. It was addressed to Vice President Nixon and read to the Cabinet in Washington Friday.

Eisenhower's decision to make it public served as a notice to diplomats abroad and politicians at home that any voice raised in disagreement with Dulles can be disregarded insofar as administration policy is concerned.

Reports On The President

Dr. Paul D. White, Boston heart specialist, tells newsmen in Denver that after examining President Eisenhower physicians will have to wait "another two or three months" before they can tell whether his recovery will be complete. He said the present goal is for the President to fly East sometime between Nov. 5 and Nov. 12 for a period of convalescence at his Gettysburg, Pa., farm.

MRS. SPANGLER PASSES AWAY

Mrs. Mary M. Spangler, 85, widow of Milton Spangler, died at the Rowe Nursing Home, Union Bridge, Md., Sunday morning at about 5 o'clock. She had been a patient at the home for the past 11 years.

Mrs. Spangler was the daughter of the late Ephraim and Mary J. Hoffman Herr.

She is survived by nine brothers and sisters: Mrs. Cora Zeigler, Harrisburg; Mrs. Rosa Miller, Gettysburg; R. I. Frank Herr, Charles Herr, Alice Bollinger, Mrs. Nettie Hawk, Mrs. Anna Ohler, Mrs. Ella Hughes and Mrs. Doble Miller, all of Gettysburg.

Funeral services will be held Wednesday afternoon at 2:30 o'clock (DST) from the Harney Lutheran Church conducted by Rev. Charles H. Held. Prior to the services the body will lie in state at the church beginning at 12:30 o'clock. Interment in Harney Lutheran Church Cemetery. Friends of the deceased may call at Fuss Funeral Home, Taneytown, Tuesday evening from 7 until 9 o'clock.

Dr. Allison Named To College Staff

Dr. James H. Allison, 42 W. Broadway, has been appointed medical director at Gettysburg College. It was announced today by the Committee on Administration.

Dr. Allison succeeds Dr. Joseph J. Baker, R. 2, who recently announced his resignation after accepting the post of administrator of the Davidson County Hospital, Nashville, Tenn.

In addition to the appointment of Dr. Allison, the committee announced that Dr. Raymond F. Sheely, 127 W. Lincoln Ave., has been named medical associate.

Trespass Action Is Filed By Countians

R. M. Starry, York Springs, has brought an action in trespass against the Capitol Bus Co., Harrisburg, as the result of an accident December 12, 1952, in York Springs.

According to the complaint filed for Starry by Attorney J. Francis Yake Jr. in the prothonotary's office, Starry was driving north when a south-bound Capitol Bus Co. bus operated by Cleason Faircrossed the road in front of him and the two vehicles collided.

Attends Girl Scout Camp Over Weekend

Louise Collins, daughter of Mr. and Mrs. J. B. Collins, E. Broadway, and a member of Senior Girl Scout Troop 4, took part over the weekend in a "primitive camp" held at Brighton Woods, Washington, D. C., for 160 girl scouts from Pennsylvania, Maryland, and the District of Columbia.

The camp was held for those senior scouts who will take part in the Senior Scout national roundup in Michigan next summer. The program opened with a camp fire Friday evening followed by training in campcraft skills Saturday and concluding with services Sunday.

Miss Collins is one of three scouts who will represent Adams County at the national roundup.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Richard E. Deane, of Upper Darby, Pa., announce the birth of a son, Saturday in Lankenau Hospital in Philadelphia. Mrs. Deane is the former Doris Miller of Gettysburg.

Aged Woman Is Burned To Death After 2 Minute Quake

SAN FRANCISCO (AP)—San Francisco and the East Bay area rocked last night with the second damaging earthquake within seven weeks. It lasted about two minutes.

Windows shattered, telephone lines went dead, statues fell from niches in a chapel, dishes fell from shelves and overhead lights swayed dizzily.

At Oakland, an apartment house fire started soon after the quake and burned to death an 85-year-old woman. Ora Bell, Tom Dolan, a battalion fire chief, estimated damage at \$25,000 and said the fire was "definitely caused by a gas explosion."

Ruth Aldinger, 49, jumped out of a second story window during the fire and suffered serious injuries.

Oakland firemen also blamed the quake for a \$3,000 house fire. Battalion Chief Bernard Dooley said it either cracked gas pipes or extinguished a pilot light, causing an explosion. Manuel Ortega was hit by flying glass and injured slightly.

At Sonoma, the Buena Vista Winery said the jolt shifted a 1,200-gallon wine cask in its cradle. A seam split and, until workmen caulked it, a geyser of wine sprayed out. There was not much loss.

Woman Is Paroled; Faces More Charges

Granted a parole in Franklin County court Friday, Mrs. Jeanette Irene Bupp, of the Pen Mar section, was transferred Saturday to the Washington County Jail at Hagerstown, pending disposition of charges against her there.

Judge Edmund C. Wingerd in granting Mrs. Bupp's petition for parole made her release from the county jail subject to a detainer filed for her by Washington County authorities. She is wanted in Maryland on a series of burglary charges, the court was told.

Taken to Chambersburg several months ago after completing a jail sentence imposed in the Adams County courts, also on charges of burglary, Mrs. Bupp was accused of ransacking cottages in the Pen Mar Area.

Two Safe Driving Co-ordinators Named

William M. Pritchard, York, and D. R. Keller, Gettysburg, have been appointed York and Adams County co-ordinators for the statewide safe driving campaign scheduled Nov. 20 to Dec. 10. The campaign will be associated with Safe Driving Day, designated for Dec. 1.

The appointments were announced by Clarence J. Sipe, acting director of the Bureau of Highway Safety, who is in charge of Pennsylvania's part in the nationwide observance of S-D Day.

150 Turkeys Are Destroyed In Fire

One hundred and fifty turkeys and a turkey house were destroyed by fire early this morning on the property of John Yohe, Clear Springs, about four miles north of York Springs. Damage was estimated at \$5,000. Another fifty turkeys may die.

The fire was discovered at 3 o'clock this morning by Boyd Darr, driver for the Wolf Bus Company, who was returning from a chartered trip to New Jersey. He reported the fire to the York Springs Fire Department. Dillsburg and Franklin-town trucks were also called out.

The frame structure 40 by 80 feet, was situated about 500 feet from the Yohe residence. It is believed that the fire was caused by faulty wiring in the turkey house.

Last night's call was the first for the York Springs Fire Department in 96 days.

ONE MORE ZERO MAY RESULT IN COURT ACTION

A court suit may result between Wilmer Sharrah, Biglerville R. 2, and the Franklin Twp. School district because former Chief Assessor William G. Weaver inadvertently put down one zero too many in listing the price of a lot purchase by Sharrah, according to papers filed at the court house.

May 9, 1952, Sharrah bought a lot in Franklin Twp., for \$1,400. Chief Assessor Weaver in marking down the amount on the lists for the tax duplicates made the amount \$14,000, and set the assessment at 25 per cent of that amount, or \$3,500, Sharrah claims.

Because the matter was a clerical error, no notice was sent to Sharrah, according to Sharrah's affidavit of defense.

Sold Half A Lot

Sharrah in the meantime had sold half the lot to Kenneth Mickle for \$700, and the local assessor, C. D. Ketterman, had assessed the remaining one-half lot at \$175, or 25 per cent of \$700, the value of the remaining property.

Faced by taxes of \$51.13 from the school board and \$21.63 from the township supervisors — the amount listed on an assessment of \$2,125, or one-fourth of \$14,000, Sharrah sought to find out the mistake.

The error was found when Weaver checked his cards, and he notified the Franklin Twp. tax collector of the error. The supervisors and school board were notified and the liens they had entered were dropped and Sharrah paid taxes on the \$175 assessed valuation of the property he owns.

But, according to Sharrah, the "error had perpetuated itself," since the chief assessor had sent out the 1954 tax duplicate before the error in the 1953 duplicate had been discovered. While the supervisors had corrected the matter for 1954 as it had been corrected in 1953, the school board did not make a change in 1954, Sharrah said.

Sharrah's affidavit states that he has built a house on his property and that it is now assessed by Paul K. Rebert, the local assessor, at \$1,125, or one-fourth of a value of \$4,500. Sharrah said that amount has been approved by the chief assessor and that he has paid the township and county taxes that figure, but that the school board will not relinquish the \$2,125 assessment figure, and has placed a lien on his property for \$61.79 or \$53.13 tax, a penalty of \$2.61 and 56 cents.

The court, in response to Sharrah's affidavit, in which he says he is ready to stand trial, gave the school board 15 days in which to file an answer to Sharrah's claim.

Saarlanders Vote Against Joining European Forces

By GODFREY ANDERSON
SAARBRUECKEN, Saar (AP)—A new French-German crisis stirred today in the wake of the Saarlanders' 2-1 rejection of the plan to Europeanize their rich industrial territory.

The outcome of the plebiscite toppled the Saar's pro-French Premier and heightened German demands for return of the coal and steel valley they held before World War II.

A whopping 96.72 per cent of all eligible Saarlanders went to the polls yesterday and turned down the European status plan 423,434 (67.7 per cent) to 201,973 (32.3 per cent).

There were no incidents during the balloting after a turbulent three-month campaign. The borders of the tiny area between France and Germany were sealed to prevent possible infiltration by agitators. A five-nation neutral commission supervised the voting.

Premier To Resign

Within minutes after the final returns were reported early today, Premier Johannes Hoffmann announced he was resigning "out of respect for the will of the people."

By defeating the Europeanization statute—which had taken five years to work out in Paris and Bonn—the Saarlanders inflicted a bitter humiliation on the French and raised a grim question mark over French-German relations.

The Europeanization plan would have put the Saar's defense and foreign relations under a neutral commissioner of the seven-nation Western European Union while maintaining its customs and currency union with France. The statute was signed by West German Chancellor Konrad Adenauer in Paris a year ago as the price for French agreement to West German rearmament.

New Negotiations

The 991-square-mile territory, occupied by France after World War II, now is linked in an economic union with France and the French control its foreign relations and defense.

France previously has said rejection of the Europeanization plan would maintain the present alignment, but a French spokesman conceded today that new negotiations with West Germany on the Saar might now be necessary.

Leaders of all political parties in Bonn—except the ailing Adenauer, who had backed the agreement to the bill—hailed the result of the plebiscite as a "blow for German unity." They left no doubt they expect the French to hand over the territory eventually.

U.N. IS CALLED BEST HOPE FOR WORLD PEACE

The United Nations is "our best hope for peace," speakers declared Sunday afternoon at the annual observance of United Nations Day, held in the form of a tree planting ceremony at the Keefauver School following a parade through part of the town.

State Senator Harry E. Seyler, principal of the Hannah Penn Junior High School, York; State Senator Donald P. McPherson, Gettysburg, and Judge W. C. Sheely were among the speakers.

"Today the United Nations is ten years old," Senator Seyler said. "Whether it is a success or a failure depends on what we expected of it. If we thought that to merely establish the United Nations would immediately solve all the problems of the world, then it has been a failure. If we realize that the United Nations is but an instrument by which the people of the world can move toward the goal of world peace, then it has been a success. The United Nations is not a finished thing, it is an ever growing thing. But the United Nations can exist and operate as it is intended to operate only in a democratic setting. It will operate well only when the people of the world are freely able to discuss their problems through their representatives to the United Nations."

World Peace Necessary

"Through the United Nations we can hope to gain world peace. Today world peace is necessary for the continued existence of the human race. With the atom bomb, hydrogen bomb and who knows what dreadful instruments of destruction still to come, the world simply must have some means for nations to settle their difficulties without recourse to war. And that means is the United Nations, and thus the United Nations is absolutely necessary for the survival of not only our way of life, but of the human race."

Judge Sheely said, "It is fitting that we plant a tree in commemoration of the tenth anniversary of the (Continued On Page 2)

"WORK DAY" IS CONDUCTED AT LOCAL CHURCH

Christ Work Day, a youth project of the Reformed Church, was conducted for the first time in Gettysburg by 37 boys and girls of the Youth Fellowship of the Trinity Evangelical and Reformed Church Saturday.

The youngsters started off their work day with breakfast at 8 o'clock at the church served by the women of the Altar Guild. Their morning's work included raking leaves, washing windows, washing cars, cleaning out basements and workrooms, ironing, planting bulbs and doing other neighborly jobs in the spirit of the work day project. Gettysburg residents, in appreciation of the work, donated \$75 which will be "used by the church for a worthy cause."

Luncheon was served to the workers by Mr. and Mrs. William Swisher at the church. After working all afternoon the youngsters were served dinner at 5 o'clock at the church by Mr. and Mrs. Frank Bowersox Jr.

The adult committee included: Mr. and Mrs. Swisher, Mr. and Mrs. Bowersox, Mr. and Mrs. J. B. Collins, Mrs. Betty Fisel and Daniel Hoffman.

Anti-Red Wins In Viet Nam

SAIGON, South Viet Nam (AP)—Premier Ngo Dinh Diem, landslide winner in a popularity plebiscite over absentee chief of state Bao Dai, will proclaim South Viet Nam a republic and himself its first president, it was reported today.

Diem, one of Asia's most resolute anti-Communists, dug Bao Dai's political grave with a referendum yesterday in which the Vietnamese overwhelmingly rejected the playboy ex-emperor and chose the Premier chief of state.

Authoritative sources said Diem would proclaim Wednesday a holiday, announce the official election returns, and in the presence of the Cabinet, diplomats and a large throng preside at the formal birth of the republic with himself as president.

He will remain premier as well until after the election of the first National Assembly, expected before the end of this year.

RICHARD CRIST PLACES FIRST IN POSTER CONTEST

Richard G. Crist, 11-year old son of Mr. and Mrs. Eddie Crist, Elm St., and grandson of Dr. C. G. Crist, Adams County coroner, won first prize in poster contest conducted in connection with the observance of the tenth anniversary of the founding of the United Nations.

Young Crist is a pupil in the sixth grade at the Keefauver elementary school.

Six students from York Springs won the first six prizes in the Senior High School Group and the Junior High School group.

Judy A. Mulvey took first prize in the Senior High School Group. Richard Rinehart was second and Valena Sheaffer, third. In the Junior High School Group Darlene Lerew, won first place, Alice Anderson, was awarded second prize and Judy Pyle, third prize.

Other Winners

Edward Heiser, Gettysburg, received first prize in the sixth to eighth Grade Group. Alma Anderson and Barbara Weaver, both of East Berlin, tied for second place. Jane Weigand, Barbara Lescalet and Shiley Myers, of East Berlin, received third place awards.

Judges for the contest were Miss Clara E. Peck, a local artist, and Mrs. Frieda Jackson, a teacher at Gettysburg College.

The posters are on display in the windows of John H. Basehore's office, Lincoln Square.

1956 CADILLAC AUTOMOBILES NOW ON DISPLAY

Cadillac's line of 1956 automobiles presents a completely re-styled appearance, features a list of important engineering advancements, and has been expanded to include two new body styles. It was announced today by Don E. Ahrens, vice president of General Motors and general manager of the Cadillac Motor Car Division.

"While consistent with Cadillac's progressive styling continuity, Cadillac's 1956 models are dramatically new in appearance both inside and out," Ahrens reported. "A new engine and a 305 horsepower Eldorado engine coupled with a vastly improved transmission system are typical of the many engineering developments designed to insure the 1956 Cadillac owner the greatest possible driving satisfaction."

Ahrens announced that to provide additional coverage of the fine car field and to further expand customer selection, Cadillac is introducing two new body designs for 1956.

Four-Door Hardtop

Presented for the first time are the Sedan de Ville, a four-door hardtop, and the Eldorado Seville, a limited production model supplementing Cadillac's dramatic Eldorado convertible, the Biarritz.

Which the addition of two new models Cadillac now offers a total (Continued On Page 2)

Five Aged Residents Of Adams County Pass Away; Hold Funerals This Week

Mrs. Hannah J. Biggs
Mrs. Hannah J. Biggs, 75, widow of Roland L. Biggs, died suddenly Sunday evening at her home in Orrtanna. Dr. C. G. Crist, Adams County coroner, said death was caused by a heart attack.

In her usual health Sunday, she had attended church services Sunday morning and evening. She had returned to her home, a few doors from the church, Sunday evening about 9 o'clock and was watching a television program when she was stricken, at about 9:30 o'clock. Death occurred at 10 o'clock.

A native of Adams County, she was a daughter of the late Joshua and Hannah M. (Miller) Cease and had resided most of her life in Orrtanna. Her husband died in 1941.

Funeral Thursday

She had attended public school in Orrtanna and was a lifelong member of the Orrtanna Methodist Church, was a member of the Women's Society of Christian Service of that church a past president. She was a member of the Women's Bible Class and was very active in church work.

Surviving are two daughters, Mrs. Charles A. Sloat, W. Broadway, a teacher here, and Miss Jean E. Biggs, at home, also a teacher in the county's schools. Also surviving are three brothers, John A. Cease and Maxwell L. Cease, both of Orrtanna, and Joshua Cease, Harrisburg.

Funeral services Thursday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Eugene Steiner, her pastor, officiating. Interment in the Fairfield Union Cemetery. Friends may visit the funeral home Wednesday evening after 7 o'clock.

Adams M. Bennett

Adam Musselman Bennett, 71, Fairfield R. 1, died Sunday afternoon at 2:35 o'clock at the Warner Hospital, following an illness of several years. He had been in the hospital for about two weeks prior to his death.

For a number of years he operated a second hand furniture business in the Fairfield area and was a member of the Fairfield Reformed Church.

Surviving are his wife, Retura Kesseburg Bennett, Fairfield, Ill.; one daughter, Myrna D. Bennett, Fairfield, Ill., and one brother, Robert Bennett, Washington, D. C. He was a son of the late Joseph Harry and Susan Virginia (Pittor) Bennett.

Funeral services Thursday afternoon at 1:30 o'clock from the Allison Funeral Home, Fairfield, with the Rev. Mark Michael, his pastor, officiating. Interment in the Fairfield Union Cemetery. Friends may call at the funeral home Wednesday evening after 7 o'clock.

Horace A. Crouse

Horace A. Crouse, 92, of 218 Baltimore St., died Sunday morning at 1:15 o'clock at the Warner Hospital where he had been a patient for five days. He had been in ill health 15 months.

A native of Littlestown, he was a son of the late W. Frank and Sarah (Bishop) Crouse. He attended the Littlestown public schools and learned the trade of carriage trimmer there. After following that trade for a number of years, he entered the grain and feed business in Littlestown.

In 1903 he moved to Gettysburg and, in partnership with the late George Reichle, was in the meat business for 12 years. He then became a clerk at the People's Cash Store and served in that position for 20 years. He retired in 1943.

Funeral On Tuesday

He was a member of the First Methodist Church of Gettysburg and of the POS of A of Littlestown. His wife, the former Emma Jane Weikert, died October 22, 1938. Surviving are a daughter, Mrs. C. Paul Cessna, at home, and a grandson, Jack Cessna, of the Gettysburg High School faculty.

Funeral services Tuesday afternoon at 2 o'clock from the Bender Funeral Home with the Rev. Victor K. Meredith Jr. officiating. Interment in Mt. Carmel Cemetery, Littlestown. The family has requested no visiting hours prior to the time of the funeral services.

John W. Tyler

John Walker Tyler Sr., 75, died Saturday morning at 5 o'clock at his home, Fairfield R. 2, following a heart attack. There are 88 survivors.

A son of the late James and Fannie (Nicely) Tyler, he was born in Lexington, Va., and moved here three years ago. He was a farmer and a member of the Adventist Church of Virginia. His wife, Mary Frances (Clark) Tyler, died a number of years ago.

Surviving are nine children: Mrs. Gladys Tyler, Fairfield R. 2; Jessie Tyler, Rockville R. 3; M.D. Tyler, Alexandria, Va.; John Walker Tyler Jr., Taneytown; William Tyler, Emmitsburg; Charles Tyler, Takoma (Continued On Page 2)

License Suspended For Fifteen Days

HARRISBURG (AP)—The Liquor Control Board today suspended the license of Maxine Stewart Adams House Gettysburg for 15 days effective Nov. 15.

The board sustained charges of sales to visibly intoxicated persons; permitted employees to contact or associate with patrons and permitted women to render service behind the bar.

The defendant may appeal the conviction or may petition the Liquor Control Board for permission to pay \$10 per day for each day of the suspension and continue to conduct business.

CC DIRECTORS TO MEET

The Board of Directors of the Gettysburg Chamber of Commerce will meet this evening at 8 o'clock at the C of C office in the Plaza building.

BOARD MEETS TONIGHT

The Adams County School Board will meet this evening at 8 o'clock at the office of the county superintendent of schools at the Court House.

7 Marines Are Killed When Car Crashes Into Big Truck

SANTA ANA, Calif. (AP)—A sedan going downhill broadsided into an approaching oil tank truck-trailer yesterday, killing seven young Marines in the car.

It was one of the worst highway disasters in southern California history. Wreckage and bodies were strewn along the highway. The windshield broke off the Marines' machine, sailed over the truck and shattered the windshield of another car, but its driver was unhurt. The truck's radiator was embedded inside the Marines' car.

The truck driver, Jack R. Hubbard, 32, was unhurt. He told highway patrolmen: "There was nothing I could do. They hit me. It sounded like thunder. Sparks went everywhere."

Partners said it was a "mad race" the oil-tan truck did not explode. They said skid marks showed the oncoming car was five feet over the center line reeling sideways. The 1st Division Marines, returning to Camp Pendleton from week-end liberty, were:

Cpl. Wesley T. Macon, 20, son of Mr. and Mrs. Tessa L. Macon, Navajo, Ala.; Pvt. Fredrick P. Hulme, 21, son of Edwin Hulme, Hulme, Chelsea, Mass.; Cpl. John H. Malone, 21, son of John H. Malone, Bixby, Okla., and Mrs. Anna Malone, Tulsa, Okla.; Cpl. James B. White, 19, son of Arlen E. White, Herrin, Ill.; Cpl. Paul L. Lemieux, 21, son of Mr. and Mrs. Ernest J. Lemieux, Lowell, Mass.; Cpl. Gary C. Perdue, 20, son of Mr. and Mrs. Carl Perdue, Denver, Colo.; and Pfc. James H. Barker, 20, son of Mrs. Thelma Barker, Delphi, Ind.

Highway patrolmen said Macon was driving the car. Sgt. Marines died instantly. Barker died shortly afterward in a hospital. The crash occurred about five miles east of Brea.

President Will Return Here To Convalesce For Several Months

DENVER, Colo. (AP)—President Eisenhower embarked today on his busiest work schedule since he was stricken with a heart attack.

A stepped-up list of callers followed encouraging weekend check-ups and issuance of a declaration of unqualified support for Secretary of State Dulles in advance of the Geneva conference.

The President said Dulles "speaks for me with authority for our country" in the foreign ministers meeting opening Thursday.

Gabriel Hauge and Dr. Arthur P. Burns started a parade of official visitors to Fitzsimons Army Hospital for a conference on economic problems.

Burns chairman of the President's Council of Economic Advisors, and Hauge, Eisenhower's personal economic adviser will precede Henry Cabot Lodge Jr. into the President's sickroom today. Lodge is chief U. S. delegate to the United Nations.

Nine Hours Sleep

The morning medical bulletin on President Eisenhower today said:

"The President had a good night's sleep of nearly nine hours. He awoke feeling refreshed and in a cheerful mood. His condition continues to progress satisfactorily without complications."

The weekend checkups found Eisenhower doing well enough to be flown East between Nov. 5 and Nov. 12. Whether there will be a complete recovery from the heart attack he suffered 30 days ago Dr. Paul Dudley White noted Boston heart specialist reported cannot be determined for another "two or three months."

That was on Saturday when Dr. White met reporters to give them what he called the "good news" about the President's condition.

Will Convalesce Here

Dr. White said the President will be flown East next month, going first to Washington for a day and then to his Gettysburg farm for the period of convalescence.

The President was well enough yesterday to stand upright unaided and step onto a pair of scales. They showed he had dropped to 172½ pounds four less than when he entered the hospital. This news Secretary James C. Hagerty said "is all to the good."

Afterwards the President made public a letter to his Cabinet spelling out Dulles' role of full authority in foreign affairs and calling for the full support of his colleagues in the administration. It was addressed to Vice President Nixon and read to the Cabinet in Washington Friday.

Eisenhower's decision to make it public served as a notice to diplomats abroad and politicians at home that any voice raised in disagreement with Dulles as administration policy is concerned.

Attends Girl Scout Camp Over Weekend

Reports On The President

Dr. Paul D. White, Boston heart specialist, tells newsmen in Denver that after examining President Eisenhower physicians will have to wait "another two or three months" before they can tell whether his recovery will be complete. He said the present goal is for the President to fly East sometime between Nov. 5 and Nov. 12 for a period of convalescence at his Gettysburg, Pa., farm.

MRS. SPANGLER PASSES AWAY

Mrs. Mary M. Spangler, 85, widow of Milton Spangler, died at the Rowe Nursing Home, Union Bridge, Md., Sunday morning at about 5 o'clock. She had been a patient at the home for the past 11 years.

Mrs. Spangler was the daughter of the late Ephraim and Mary J. Hoffman.

She is survived by nine brothers and sisters: Mrs. Cora Zeigler, Harrisburg; Mrs. Rosa Miller, Gettysburg; R. L. Frank Herr, Charles Herr, Alice Bollinger, Mrs. Nettie Hawk, Mrs. Anna Ohler, Mrs. Ella Hughes and Mrs. Doble Miller, all of Gettysburg.

Funeral services will be held Wednesday afternoon at 2:30 o'clock (DST) from the Harney Lutheran Church conducted by Rev. Charles H. Held. Prior to the services the body will lie in state at the church beginning at 12:30 o'clock. Interment in Harney Lutheran Church Cemetery. Friends of the deceased may call at Pass Funeral Home, Taneytown, Tuesday evening from 7 until 9 o'clock.

Dr. Allison Named To College Staff

Dr. James H. Allison, 42 W. Broadway, has been appointed medical director at Gettysburg College. It was announced today by the Committee on Administration.

Dr. Allison succeeds Dr. Joseph J. Baker, R. 2, who recently announced his resignation after accepting the post of administrator of the Davidson County Hospital, Nashville, Tenn.

In addition to the appointment of Dr. Allison, the committee announced that Dr. Raymond F. Sheely, 127 W. Lincoln Ave., has been named medical associate.

Trespass Action Is Filed By Countians

R. M. Stary, York Springs, has brought an action in trespass against the Capitol Bus Co., Harrisburg, as the result of an accident December 12, 1952, in York Springs.

According to the complaint filed for Stary by Attorney J. Francis Yake Jr. in the prothonotary's office, Stary was driving north when a south-bound Capitol Bus Co. bus operated by Cleason Fair, crossed the road in front of him and the two vehicles collided.

Woman Is Paroled; Faces More Charges

Granted a parole in Franklin County court Friday, Mrs. Jeanette Irene Bupp, of the Pen Mar section, was transferred Saturday to the Washington County Jail at Hagerstown, pending disposition of charges against her there.

Judge Edmund C. Wingerd in granting Mrs. Bupp's petition for parole made her release from the county jail subject to a detainer filed for her by Washington County authorities. She is wanted in Maryland on a series of burglary charges, the court was told.

Taken to Chambersburg several months ago after completing a jail sentence imposed in the Adams County courts, also on charges of burglary, Mrs. Bupp was accused of ransacking cottages in the Pen Mar Area.

CHAIRMEN OF DEANERY NCCW ARE ANNOUNCED

Mrs. Thomas French, president of the Conewago Deanery Council of Catholic Women, announced the appointment of the following chairmen of standing committees for the coming year, at the 58th quarterly meeting Sunday afternoon at Immaculate Heart of Mary parish, Abbotstown:

Mrs. Marilyn Weaver, Hanover, Bishop's Fund for Diocesan Needs; Mrs. George A. Two Safe Driving Co-ordinators Named

William M. Pritchard, York, and D. R. Keller, Gettysburg, have been appointed York and Adams County co-ordinators for the statewide safe driving campaign scheduled Nov. 20 to Dec. 10. The campaign will be associated with Safe Driving Day, designated for Dec. 1.

The appointments were announced by Clarence J. Sipe, acting director of the Bureau of Highway Safety, who is in charge of Pennsylvania's part in the nationwide observance of S-D Day.

150 Turkeys Are Destroyed In Fire

One hundred and fifty turkeys and a turkey house were destroyed by fire early this morning on the property of John Yohe, Clear Springs, about four miles north of York Springs. Damage was estimated at \$5,000. Another fifty turkeys may die.

The fire was discovered at 3 o'clock this morning by Boyd Darr, driver for the Wolf Bus Company, who was returning from a chartered trip to New Jersey. He reported the fire to the York Springs Fire Department. Dillsburg and Franklin-town trucks were also called out.

The frame structure 40 by 80 feet, was situated about 500 feet from the Yohe residence. It is believed that the fire was caused by faulty wiring in the turkey house.

Last night's call was the first for the York Springs Fire Department in 96 days.

ONE MORE ZERO MAY RESULT IN COURT ACTION

A court suit may result between Wilmer Sharrah, Biglerville R. 2, and the Franklin Twp. School district because former Chief Assessor William G. Weaver inadvertently put down one zero too many in listing the price of a lot purchase by Sharrah, according to papers filed at the court house.

May 9, 1952, Sharrah bought a lot in Franklin Twp., for \$1,400. Chief Assessor Weaver in marking down the amount on the lists for the tax duplicates made the amount \$14,000, and set the assessment at 25 per cent of that amount, or \$2,125, Sharrah claims.

Because the matter was a clerical error, no notice was sent to Sharrah, according to Sharrah's affidavit of defense.

Sold Half A Lot

Sharrah in the meantime had sold half the lot to Kenneth Mickle for \$700, and the local assessor, C. D. Ketterman, had assessed the remaining one-half lot at \$175, or 25 per cent of \$700, the value of the remaining property.

Faced by taxes of \$53.13 from the school board and \$21.63 from the township supervisors — the amount listed on an assessment of \$2,125, or one-fourth of \$14,000, Sharrah sought to find out the mistake.

The error was found when Weaver checked his cards, and he notified the Franklin Twp. tax collector of the error. The supervisors and school board were notified and the liens they had entered were dropped and Sharrah paid taxes on the \$175 assessed valuation of the property he owns.

But, according to Sharrah, the "error had perpetuated itself," since the chief assessor had sent out the 1954 tax duplicate before the error in the 1953 duplicate had been discovered. While the supervisors had corrected the matter for 1954 as it had been corrected in 1953, the school board did not make a change in 1954, Sharrah said.

Sharrah's affidavit states that he has built a house on his property and that it is now assessed by Paul K. Rebert, the local assessor, at \$1,125, or one-fourth of a value of \$4,500. Sharrah said that amount has been approved by the chief assessor and that he has paid the township and county taxes that figure, but that the school board will not relinquish the \$2,125 assessment figure, and has placed a lien on his property for \$61.79 or \$53.13 tax, a penalty of \$2.61 and \$6 costs.

The court, in response to Sharrah's affidavit, in which he says he is ready to stand trial, gave the school board 15 days in which to file an answer to Sharrah's claim.

Saarlanders Vote Against Joining European Forces

By GODFREY ANDERSON

SAARBRECKEN, Saar (AP)—A new French-German crisis stirred today in the wake of the Saarlanders' 2-1 rejection of the plan to Europeanize their rich industrial territory.

The outcome of the plebiscite toppled the Saar's pro-French Premier and heightened German demands for return of the coal and steel valley they held before World War II.

A whopping 96.72 per cent of all eligible Saarlanders went to the polls yesterday and turned down the European status plan 423,434 (67.7 per cent) to 201,973 (32.3 per cent).

There were no incidents during the balloting after a turbulent three-month campaign. The borders of the tiny area between France and Germany were sealed to prevent possible infiltration by agitators. A five-nation neutral commission supervised the voting.

Premier To Resign

Within minutes after the final returns were reported early today, Premier Johannes Hoffmann announced he was resigning "out of respect for the will of the people."

By defeating the Europeanization statute—which had taken five years to work out in Paris and Bonn—the Saarlanders inflicted a

U.N. IS CALLED BEST HOPE FOR WORLD PEACE

The United Nations is "our best hope for peace," speakers declared Sunday afternoon at the annual observance of United Nations Day, held in the form of a tree planting ceremony at the Keefeauver School following a parade through part of the town.

State Senator Harry E. Seyler, principal of the Hannah Penn Junior High School, York; State Senator Donald P. McPherson, Gettysburg, and Judge W. C. Sheely were among the speakers.

"Today the United Nations is ten years old," Senator Seyler said. "Whether it is a success or a failure depends on what we expected of it. If we thought that to merely establish the United Nations would immediately solve all the problems of the world, then it has been a failure. If we realize that the United Nations is but an instrument by which the people of the world can move toward the goal of world peace, then it has been a success. The United Nations is not a finished thing. It is an ever growing thing. But the United Nations can exist and operate as it is intended to operate only in a democratic setting. It will operate well only when the people of the world are freely able to discuss their problems through their representatives to the United Nations."

World Peace Necessary

"Through the United Nations we can hope to gain world peace. Today world peace is necessary for the continued existence of the human race. With the atom bomb, hydrogen bomb and who knows what dreadful instruments of destruction still to come, the world simply must have some means for nations to settle their difficulties without recourse to war. And that means is the United Nations, and thus the United Nations is absolutely necessary for the survival of not only our way of life, but of the human race."

Judge Sheely said, "It is fitting that we plant a tree in commemoration of the tenth anniversary of the"

"WORK DAY" IS CONDUCTED AT LOCAL CHURCH

Christ Work Day, a youth project of the Reformed Church, was conducted for the first time in Gettysburg by 37 boys and girls of the Youth Fellowship of the Trinity Evangelical and Reformed Church Saturday.

The youngsters started off their work day with breakfast at 8 o'clock at the church served by the women of the Altar Guild. Their morning's work included raking leaves, washing windows, washing cars, cleaning out basements and workrooms, ironing, planting bulbs and doing other neighborhood jobs in the spirit of the work day project. Gettysburg residents, in appreciation of the work, donated \$75 which will be "used by the church for a worthy cause."

Luncheon was served to the workers by Mr. and Mrs. William Swisher at the church. After working all afternoon the youngsters were served dinner at 5 o'clock at the church by Mr. and Mrs. Frank Bowersox Jr.

The adult committee included: Mr. and Mrs. Swisher, Mr. and Mrs. Bowersox, Mr. and Mrs. J. B. Collins, Mrs. Betty Pisel and Daniel Hoffman.

Anti-Red Wins In Viet Nam

SAIGON, South Viet Nam (AP)—Premier Ngo Dinh Diem, landslide winner in a popularity plebiscite over absentee chief of state Bao Dai, will proclaim South Viet Nam a republic and himself its first president, it was reported today.

Diem, one of Asia's most resolute anti-Communists, dug Bao Dai's political grave with a referendum yesterday in which the Vietnamese overwhelmingly rejected the playboy ex-emperor and chose the Premier chief of state.

Authoritative sources said Diem would proclaim Wednesday a holiday, announce the official election returns, and in the presence of the Cabinet, diplomats and a large throng preside at the formal birth of the republic with himself as president.

He will remain premier as well until after the election of the first National Assembly, expected before the end of this year.

RICHARD CRIST PLACES FIRST IN POSTER CONTEST

Richard G. Crist, 11-year old son of Mr. and Mrs. Eddie Crist, Elm St., and grandson of Dr. C. G. Crist, Adams County coroner, won first prize in poster contest conducted in connection with the observance of the tenth anniversary of the founding of the United Nations.

Young Crist is a pupil in the Sixth grade at the Keefeauver elementary school.

Six students from York Springs won the first six prizes in the Senior High School Group and the Junior High School group.

Judy A. Mulkey took first prize in the Senior High School Group. Richard Rinehart was second and Valena Sheaffer, third. In the Junior High School Group Darlene Lerew won first place. Alice Anderson, was awarded second prize and Judy Pyle, third prize.

Other Winners

Edward Heiser, Gettysburg, received first prize in the sixth to eighth Grade Group. Alma Anderson and Barbara Weaver, both of East Berlin, tied for second place. Jane Weigand, Barbara Lescalet and Shiley Myers, of East Berlin, received third place awards.

Judges for the contest were Miss Clara E. Peck, a local artist, and Mrs. Frieda Jackson, a teacher at Gettysburg College.

The posters are on display in the windows of John H. Basehore's office, Lincoln Square.

1956 CADILLAC AUTOMOBILES NOW ON DISPLAY

Cadillac's line of 1956 automobiles presents a completely re-styled appearance, features a list of important engineering advancements, and has been expanded to include two new body styles. It was announced today by Don E. Ahrens, vice president of General Motors and general manager of the Cadillac Motor Car Division.

"While consistent with Cadillac's progressive styling continuity, Cadillac's 1956 models are dramatically new in appearance both inside and out," Ahrens reported. "A new engine and a 305 horsepower Eldorado engine coupled with a vastly improved transmission system are typical of the many engineering developments designed to insure the 1956 Cadillac owner the greatest possible driving satisfaction."

Ahrens announced that to provide additional coverage of the fine car field and to further expand customer selection, Cadillac is introducing two newly body designs for 1956.

Four-Door Hardtop

Presented for the first time are the Sedan de Ville, a four-door hardtop; and the Eldorado Seville, a limited production model supplementing Cadillac's dramatic Eldorado convertible, the Biarritz.

With the addition of two new models Cadillac now offers a total

Five Aged Residents Of Adams County Pass Away; Hold Funerals This Week

Mrs. Hannah J. Biggs, 75, widow of Roland L. Biggs, died suddenly Sunday evening at her home in Orrtanna. Dr. C. G. Crist, Adams County coroner, said death was caused by a heart attack.

In her usual health Sunday, she had attended church services Sunday morning and evening. She had returned to her home, a few doors from the church, Sunday evening about 9 o'clock and was watching a television program when she was stricken, at about 9:30 o'clock. Death occurred at 10 o'clock.

A native of Adams County, she was a daughter of the late Joshua and Hannah M. (Miller) Cease and had resided most of her life in Orrtanna. Her husband died in 1941.

Funeral Thursday

She had attended public school in Orrtanna and was a lifelong member of the Orrtanna Methodist Church, was a member of the Women's Society of Christian Service of that church a past president. She was a member of the Women's Bible Class and was very active in church work.

Surviving are two daughters, Mrs. Charles A. Sloat, W. Broadway, a teacher here, and Miss Jean E. Biggs, at home, also a teacher in the county's schools. Also surviving are three brothers, John A. Cease and Maxwell L. Cease, both of Orrtanna, and Joshua Cease, Harrisburg.

Funeral services Thursday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Eugene Steiner, her pastor, officiating. Interment in the Fairfield Union Cemetery. Friends may visit the funeral home Wednesday evening after 7 o'clock.

Adams M. Bennett

Adam Musselman Bennett, 71, Fairfield R. 1, died Sunday afternoon at 2:35 o'clock at the Warner Hospital, following an illness of several years. He had been in the hospital for about two weeks prior to his death.

For a number of years he operated a second hand furniture business in the Fairfield area and was a member of the Fairfield Reformed Church.

Surviving are his wife, Retura Kesseburg Bennett, Fairfield, Ill.; one daughter, Myrna D. Bennett, Fairfield, Ill., and one brother, Robert Bennett, Washington, D. C. He was a son of the late Joseph Harry and Susan Virginia (Piror) Bennett.

Funeral services Thursday afternoon at 1:30 o'clock from the Allison Funeral Home, Fairfield, with the Rev. Mark Michael, his pastor, officiating. Interment in the Fairfield Union Cemetery. Friends may call at the funeral home Wednesday evening after 7 o'clock.

License Suspended For Fifteen Days

HARRISBURG (AP)—The Liquor Control Board today suspended the license of Maxine Stewart Adams House Gettysburg for 15 days effective Nov. 15.

The board sustained charges of sales to visibly intoxicated persons; permitted employees to contact or associate with patrons and permitted women to render service behind the bar.

The defendant may appeal the conviction or may petition the Liquor Control Board for permission to pay \$10 per day for each day of the suspension and continue to conduct business.

CC DIRECTORS TO MEET

The Board of Directors of the Gettysburg Chamber of Commerce will meet this evening at 8 o'clock at the C of C office in the Plaza building.

BOARD MEETS TONIGHT

The Adams County School Board will meet this evening at 8 o'clock at the office of the county superintendent of schools at the Court House.

7 Marines Are Killed When Car Crashes Into Big Truck

SANTA ANA, Calif. (AP)—A sedan going downhill broadsided into an approaching oil tank truck-trailer yesterday, killing seven young Marines in the car.

It was one of the worst highway disasters in southern California history. Wreckage and bodies were strewn along the highway. The windshield broke off the Marines' machine, sailed over the truck and shattered the windshield of another car, but its driver was unhurt. The truck's radiator was embedded inside the Marines' car.

The truck driver, Jack R. Hubbard, 32, was unhurt. He told highway patrolmen: "There was nothing I could do. They were skidding, then wham! They hit me. It sounded like thunder. Sparks went everywhere."

Patrolmen said it was a miracle the oil-laden truck did not explode. They said skid marks showed the oncoming car was five feet over

the center line reeling sideways. The 1st Division Marines, returning to Camp Pendleton from week-end liberty, were:

Cpl. Wesley T. Macon, 20, son of Mr. and Mrs. Tossa L. Macon, Navco, Ala.; Pvt. Fredrick P. Hulme, 21, son of Edwin Hulme, Hulme, Chelsea, Mass.; Cpl. John H. Malone, 21, son of John H. Malone, Bixby, Okla., and Mrs. Anna Malone, Tulsa, Okla.

Cpl. James B. White, 19, son of Arion E. White, Herrin, Ill.; Cpl. Paul L. Lemieux, 21, son of Mr. and Mrs. Ernest J. Lemieux, Lowell, Mass.; Cpl. Gary C. Perini, 20, son of Mr. and Mrs. Carl Perini, Denver, Colo.; and Pfc. James H. Harker, 20, son of Mrs. Thelma Bowen, Delphi, Ind.

Highway patrolmen said Macon was driving the car. Six Marines died instantly. Harker died shortly afterward in a hospital. The crash occurred about five miles northeast of Brea.

SAAR OFFICIALS
GUARD AGAINST
WEEKEND RIOTS

By GODFREY ANDERSON
SAARBRUECKEN, Saar (AP) —
Saar police tightened their precau-
tions today against possible disor-
ders as the hotly disputed weekend
plebiscite on the border territory's
future approached.

Saarlanders will vote Sunday for
or against the French-German plan
to give their country a "European"
autonomy under Western European
Union.

"From now on, as the cam-
paign closes, things will get tough-
er and tougher," a high police
official predicted.

Fear Invasion
Members of the International
Commission on Neutral Observers
supervising the plebiscite were
known to fear an invasion of row-
dies from Western Germany in the
next 48 hours.

New efforts to break up Premier
Johannes Hoffmann's pro-Europe
meetings were made in two areas
last night.

Hoffmann's automobile was halt-
ed by a road block. A crowd
surged round his car and police
had to turn on fire hoses to clear
the way.

At Querschied later, the Premier
had to break off his speech while
police located a hidden loudspeaker
drowning Hoffmann out with pro-
paganda for the pro-German parties
opposing the "Europeanization"
accord.

Compact Provides
The compact part of the bargain
for German rearmament in NATO
provides for the Saar (1) a firm
economic and customs union with
France, (2), internal self-govern-
ment and (3) supervision of its
foreign relations by a high com-
missioner appointed by the seven-
nation Western European Union.

Pro-German parties in the Ger-
man-speaking valley have cam-
paigned bitterly against the pro-
posed Europeanization statute.
They want to return to the German
fatherland. Once before, when
Hitler was in power in Germany,
90 per cent of the Saar's voters
decided in a plebiscite in 1935 to
cast off a League of Nations
trusteeship and go back to Ger-
many.

Adenauer Gives Advice
West German Chancellor Konrad
Adenauer last night again urged
the Saarlanders to vote yes next
Sunday. Adenauer views the Saar
agreement as a key piece in his
policy of settling old scores with
France for the sake of West
European unity and defense.

"I sincerely hope that the Saar
population will take a politically
wise decision," he said in a mes-
sage from his sickbed at Bonn.

The French Cabinet Wednesday
also joined in the pressure for a
"yes" vote by declaring that Saar-
landers could not hope for union
with Germany now if they reject
the statute. The French said that
if that happened, the Saar would
continue as it is and there would
be no new negotiations for a differ-
ent arrangement.

The Saar now is governed in-
ternally by its own premier and
Diet and France controls its econ-
omy and foreign relations.

HOLLYWOOD AIDE
FATALLY DRINKS
'POISONED WINE'

WHITTIER, Calif. (AP) — The
"wine" which Mrs. Rose Jones
Fingan fatally slipped in a moment
of hospitality was described by
sheriff's officers today as termite
killer fluid.

Inspector F. W. Rosenberg said
the 50-year-old personal secretary
to film producer C. B. De Mille
apparently poured from a wine
bottle containing deadly sodium
arsenate. The inspector said the
bottle had been taken accidentally
from the home of Mrs. Fingan's
brother-in-law, a termite extermi-
nator.

Mrs. Fingan died yesterday,
about 12 hours after taking a sip
with a neighbor, Mrs. Dolores
Hoyle, 26, who had complained of
a cold. Mrs. Hoyle is hospitalized,
but expected to recover.

Solves Mystery

The mystery of the poisoned
wine was solved suddenly, Rosen-
berg said, when officers went to
the home of the brother-in-law,
Carl Fingan, where Mrs. Fingan
and her husband formerly lived.

Carl Fingan told them he used
sodium arsenate to exterminate
termites and frequently carried it
to jobs in old wine bottles.

"How would it look after stand-
ing awhile?" he was asked.

"Something like sauterne," Fin-
gan answered.

His sister-in-law had poured
from a bottle labeled "white port,"
which resembles sauterne. Rosen-
berg theorized that Mrs. Fingan
and her husband Harold took the
bottle with them by mistake to
their new home.

Mrs. Fingan had been employed
by De Mille for 25 years, first as
an accountant and bookkeeper and
later as personal secretary.

Promote Xmas Project

Mrs. French reported briefly on the pilgrimage to the Tomb of Mother Seton, at St. Joseph's College, Emmitsburg, held recently and an acknowledgment of the ten dollar contribution from the Deaneary to the Mother Seton Guild was read. The Diocesan project of "Keep Christ in Christmas" was introduced and discussed. It was decided that each parish will secure their own posters for stickers for the campaign. It was requested that all councils continue, throughout the year, drive against indecent literature.

Members were asked to expect their preference for the place for the annual Day of Recollection, Gettysburg or McSherrystown.

The Rev. Louis Dougherty, pastor of the rectory parish, who was to speak, was unable to attend due to a recent accident. The address "Remodel, Renovate, Restore," given by Miss Pauline Callaghan, past president of the Harrisburg Diocesan Council of Catholic Women, at the annual Convention in May, was presented by Mrs. Evelyn Christner. A comparison was made between the building of a house and the building of a family with the creation of the world. The Rt. Rev. Msgr. Patrick P. McGee, McSherrystown, dean of the Deaneary, spoke briefly, concerning the spiritual bouquet for the Apostolic Delegate, the Delone Catholic High School fund drive, asking for the prayers of the women for its success, and the Diocesan Priest's Home.

The revised constitution and by-laws of the Harrisburg Council as adopted at the convention in Lebanon in May were read by Mrs. Paul Alfert, Littlestown.

"The Story of the Rosary" was presented by Mrs. Fred Glass, of the hostess council.

1956 CADILLAC

(Continued from Page 1)

of ten body styles in three series. Designed to convey a feeling of sweeping loveliness, the new 1956 Cadillac is readily identified by its highly distinctive exterior styling.

Front end appearance is marked by a new delicately styled aluminum grille of narrowly spaced cellular design which gains sharp definition from the massive yet gracefully tapered new front bumper guards. Matching the cellular texture of the grille, which is available in either gold or silver color, is a newly patterned oval-wide intake beneath the windshield. Wider front fenders which feature new smartly styled hooded headlamp bezels have been created to blend with a lower hood. Further accentuating the new car's road hugging stability is a highly distinctive side panel treatment.

A narrow chrome belt molding running beneath the door windows provides a sharp two-tone color line. Delicate chrome trim moldings on the top edge of the integral rear fenders lend additional definition to the low profile as do the new fluted chrome vertical sashes on the forward edge of the rear fenders.

Replacing the Cadillac name-plate on the sides of the front fenders is a new Cadillac crest. The Coupe de Ville, Sedan de Ville, Sixty Special and the Eldorado models are identified by script name-plates placed beneath the crest.

PRICES EDGE HIGHER

NEW YORK (AP)—The stock market edged higher once more in quiet early trading today.

Gains ran to around a point and there were a few fractional losers scattered through the list.

Bethlehem Steel opened up 1/4 at 155 1/2 on a block of 2,000 shares, U.S. Steel was up 1/2 at 55 1/2 on an opener of 4,000 and later extended this gain to 1/2 a point, Standard Oil (N.Y.) was up 1 1/2 at 134 on 1,500 at the opening but the gain was shaded below a point later.

Could This Have Been Fire-Water?

A water jug that "acted as a magnifying glass set fire to William Hornig's pants in his car" Saturday afternoon, according to the belief of some firemen.

Hornig, a resident of Aspers, was working as a clerk at the Dairy Queen establishment on Lincoln Highway East, at the edge of town.

A customer told Hornig his car was afire. Hornig called Gettysburg firemen. Employees in nearby garages brought fire extinguishers. The blaze was extinguished when the firemen arrived.

Firemen "surmised" that water in a jug in the car had "concentrated" the sun's rays through a closed window onto a pair of trousers on the seat of the car. The trousers caught fire and set fire to Hornig's shoes, and that was as far as the blaze progressed when the men with the extinguishers arrived.

GRAHAM AND HIRSCH LEADING TOP PRO TEAMS

By RIP WATSON
The Associated Press

Pro football fans in Cleveland and Los Angeles can be glad Otto Graham and Crazy Legs Hirsch aren't the retiring type.

The two old pros called it quits at the end of last season, then changed their minds. Today their clubs are leading the National Football League.

True, the surprising Pittsburgh Steelers are keeping pace with Cleveland in the Eastern Conference, but they were far less impressive yesterday in a 19-17 victory over the New York Giants than the Browns were in walloping Green Bay 41-10.

Graham, completing 7 of 12 passes for 187 yards, guided the Browns on touchdown marches of 74, 97 and 71 yards and scored once himself.

Scores Winning Touchdown
Hirsch took a pass from Norm Van Brocklin for the winning touchdown in Los Angeles' 24-13 victory over the toothless Detroit Lions. By winning, the Rams emerged from a three-way tie for the Western Conference lead as the Packers were beaten and Washington edged Baltimore 14-13 on Vic Janowicz's accurate conversion kicking.

The Chicago Bears won their second straight after a miserable start as Ed Brown ran for two touchdowns and passed for a third in a 34-23 victory over the San Francisco 49ers.

Philadelphia, the September choice to battle Cleveland for the Eastern crown, was left with a 1-3-1 mark after a 24-21 tie with the Chicago Cardinals. Cleveland and Pittsburgh are 4-1 with seven games to go.

Census Estimates Population Gain

WASHINGTON (AP) — The Census Bureau estimates a gain in U.S. population of 10½ million from the time of the 1950 census until July 1, 1954. The bureau said population increased from 159,697,000 to 161,183,000 and showed a continued migration to the West.

Pennsylvania's population as of July 1, 1954 had gained 486,000, the bureau said. It was listed as 10,984,000.

SOONERS WIN ON FINE PASSING

NORMAN, Okla. (AP)—Oklahoma is famous for its devastating ground game but this season the Sooners are cashing in on a deadly air attack. It's been a potent weapon in five victories.

They have completed 24 of 43 passes for 398 yards and a percentage of 56.8. They've thrown an average of 8.6 passes per game.

Only one pass has been intercepted. That was by Corky Cost of Pittsburgh, who hauled in one of quarterback Jim Harris' throws. He was nailed in his tracks.

Halfback Tommy McDonald has been Oklahoma's best passer as well as its rushing leader and top scorer. He has completed 10 of 13 passes for 156 yards.

The Sooners have scored only two touchdowns on passes and both of these were thrown by Billy Sturm of Muskogee, Okla., who runs the third team. However, they have taken to the air to set up numerous touchdowns.

U.S. JUMPERS GET GOOD START

HARRISBURG, Pa. (AP) — After just one try in international jumping competition in this country the U. S. equestrian team seems off on the right foot.

Although it didn't win a single one of the 11 international contests in the 1954 Pennsylvania National Horse Show the Americans already have come fairly close in one 1955 try.

Hugh Wiley, Towson, Md., and Billy Steinkraus, Westport, Conn., gave the United States a third and fourth Saturday night as the Mexican Army, always the team to beat, pulled in the two top ribbons.

"We won't go broke making small points and staying close," is the way Steinkraus, the captain and "old man" of the team at 30 put it.

The next international jumping is tonight. Meanwhile Bedford, now owned by Irl A. Daffin, Lititz, Pa., took the early lead in the domestic jumping. Two perfect rides piloted by Dave Kelley gave the aged black gelding first place after the opening knockdown and out event ended in a three-way tie. Second went to North Star, owned by Morton W. Smith of Middleburg, Va.

Broiler main course: Squares of cooked ham or luncheon meat are put on skewers and broiled along with drained canned peaches. Both ham and peaches are basted with a sauce made by simmering a cup of the peach syrup with a couple of tablespoons of lime or lemon juice and a dash of nutmeg.

2 FOREIGNERS CLASH TONIGHT IN 10-ROUNDER

By THE ASSOCIATED PRESS

A couple of ambitious invaders, Hocine Khalil of Algeria and Ludwig Lightburn of British Honduras, clash tonight in a lightweight 10-rounder at New York's St. Nicholas Arena.

Lightburn, who has copied Sugar Ray Robinson's fighting style, has won three straight and has a 34-60 won-lost-draw record. Khalil, a protégé of the late Marcel Cerdan, has a 41-10-5 record, including a non-title victory 17 months ago over featherweight champion Sandy Saddler.

Du Mont will telecast at 9 p.m., EST.

Boardwalk Billy Smith of Atlantic City, N. J., and Johnny Holman of Chicago, a couple of solid punchers, collide in the Wednesday night radio-television fight at the Miami Beach Auditorium.

This is a "must" fight for each. Smith, once the top-ranking light heavyweight contender, fell out of the rankings when he was stopped by Paul Andrews. The same thing happened to Holman when he lost a return scrap to Ezzard Charles after beating the former heavyweight boss in their first meeting.

Probably the best show of the week matches Hurricane Tommy Jackson and Jimmy Slade, New York heavyweights, in a non-TV 10-rounder in the Cleveland Arena Friday night. This is the third and "rubber" match for the two. Tireless Tommy has won nine straight and is ranked as the third contender behind Archie Moore and Bob Baker. Slade has won two bouts since losing his return to Jackson.

Arsenic Poisoning Fatal To Secretary

LOS ANGELES (AP)—A coroner's autopsy confirmed that Mrs. Rose Flinigan, 50, personal secretary to film producer Cecil B. De Mille, died of arsenic poisoning after taking a sip from a bottle she thought contained wine.

It was actually a poisonous termite killer fluid, sheriff's investigators determined. Mrs. Flinigan's neighbor, Mrs. Dolores Hoyle, 26, joined her in tasting the supposed wine Wednesday night.

Both became ill immediately. Mrs. Flinigan died in her home in nearby Whittier Thursday morning. Mrs. Hoyle was rushed to a hospital and is expected to recover.

L-TOWN JUNIOR HIGH DFEATS NORTHERN JT.

Littlestown's unbeaten Junior High School football team copped its third straight victory by blanking Northern Joint at Dillsburg Saturday afternoon 27-0.

Nester scored in the first period for the Bolts on a 30-yard run. Wood took a pass for the extra point.

In the second quarter Wood ran 20 yards with a blocked Dillsburg kick to make the count 13-0 at the half.

After a scoreless third period, Littlestown added a pair of touchdowns in the last frame. Crouse raced eight yards to hit pay dirt and Nester got his second touchdown when he intercepted a pass and streaked 40 yards.

Littlestown will meet Delone on the Littlestown field Thursday.

The Providence Reds and the Buffalo Bisons are two American Hockey League clubs that believe in going for the BIG period. And it paid off last night as both came through with victories to move into a tie for second place, a point back of the League leading Cleveland Barons.

The Reds shut out the Springfield Indians 5-0 with three of their goals coming in a second period outburst. The Bisons turned back the cellar dwelling Hershey Bears 7-3 with four of their goals going into the net in the opening period.

GRAHAM AND
HIRSCH LEADING
TOP PRO TEAMS

By RIP WATSON

Pro football fans in Cleveland and Los Angeles can be glad Otto Graham and Crazy Legs Hirsch aren't the retiring type.

The two old pros called it quits at the end of last season, then changed their minds. Today their clubs are leading the National Football League.

True, the surprising Pittsburgh Steelers are keeping pace with Cleveland in the Eastern Conference, but they were far less impressive yesterday in a 19-17 victory over the New York Giants than the Browns were in walloping Green Bay 41-10.

Graham, completing 7 of 12 passes for 187 yards, guided the Browns on touchdown marches of 74, 97 and 71 yards and scored once himself.

Scores Winning Touchdown Hirsch took a pass from Norm Van Brocklin for the winning touchdown in Los Angeles' 24-13 victory over the toothless Detroit Lions. By winning, the Rams emerged from a three-way tie for the Western Conference lead as the Packers were beaten and Washington edged Baltimore 14-13 on Vic Janowicz's accurate conversion kicking.

The Chicago Bears won their second straight after a miserable start as Ed Brown ran for two touchdowns and passed for a third in a 34-23 victory over the San Francisco 49ers.

Philadelphia, the September choice to battle Cleveland for the Eastern crown, was left with a 1-3-1 mark after a 24-24 tie with the Chicago Cardinals. Cleveland and Pittsburgh are 4-1 with seven games to go.

MRS. J. SELTZER DIES ON SUNDAY

Mrs. Mary Louise Seltzer, 65, wife of J. Edward Seltzer, St. Anthony's, near Emmitsburg, died Sunday morning at 11 o'clock at the Frederick Memorial Hospital.

She was born near Waynesboro, a daughter of the late Alexander and Annie (Bowman) Knott. The deceased was a member of St. Anthony's Catholic Church, the Sodality and the Auxiliary of the Francis Scott Key Post of the American Legion, Frederick.

In addition to her husband, she is survived by five brothers, Guy Knott, Waynesboro; Austin and Alphonso Knott, St. Anthony's; Gerald and David Knott, Baltimore; one sister, Veronica, Baltimore, and a number of nephews and nieces.

Funeral services Wednesday at 9 a.m. (EST) at St. Anthony's Church. Interment will be in the church cemetery.

Friends may call at the late home. The Sodality will recite the Rosary at the home Tuesday evening at 8 p.m. (EST).

CHAIRMEN OF

(Continued from Page 1)

Mrs. Mary Jo Adams, Conowingo; Mrs. Joseph F. Bushy, Fairfield; Mrs. Edwin J. Killalea, Gettysburg; Mrs. W. Cyril Smith, Hanover; Miss Edna Topper, Hanover; Mrs. Robert J. Eckenrode, Littlestown; Mrs. Nellie Kaehler, McSherrystown; Miss Teresa Noel, New Oxford; Mrs. Elsie Stewart, Shippensburg; Miss Marie Keefe, Waynesboro; Mrs. Ernest Hossler, D. of I. Hanover; Mrs. Leo Murren, D. of I. McSherrystown; Mrs. Cora E. Staub, L. C. B. A., Hanover, and Mrs. John Rafensperger, POBCL, Gettysburg.

Promote Xmas Project

Mrs. French reported briefly on the pilgrimage to the Tomb of Mother Seton, at St. Joseph's College, Emmitsburg, held recently and an acknowledgment of the ten dollar contribution from the Deacons to the Mother Seton Guild was read.

The Diocese project of "Keep Christ in Christmas" was introduced and discussed. It was decided that each parish will secure their own posters for stickers for the campaign. It was requested that all councils continue, throughout the year, drive against indecent literature.

Members were asked to expect their preference for the place for the annual Day of Reflection, Gettysburg or McSherrystown.

The Rev. Louis Dougherty, pastor of the hostess parish, who was to speak, was unable to attend due to a recent accident. The address "Remodel, Renovate, Restore," given by Miss Pauline Callaghan, past president of the Harrisburg Diocesan Council of Catholic Women, at the annual convention in May, was presented by Mrs. Evelyn Chrismer. A comparison was made between the building of a house and the building of a family with the creation of the world. The Rt. Rev. Msgr. Patrick F. McGee, McSherrystown, dean of the Deacons, spoke briefly, concerning the spiritual bouquet for the Apostolic Delegate, the Delone Catholic High School fund drive, asking for the prayers of the women for its success, and the Diocesan Priest's Home.

The revised constitution and by-laws of the Harrisburg Council as adopted at the convention in Lebanon in May were read by Mrs. Paul Allioff, Littlestown.

"The Story of the Rosary" was presented by Mrs. Fred Glass, of the hostess council.

1956 CADILLAC

(Continued from Page 1)

of ten body styles in three series.

Designed to convey a feeling of sweeping luxury, the new 1956 Cadillac is readily identified by its highly distinctive exterior styling.

Front end appearance is marked by a newly delineated aluminum grille of narrowly spaced cellular design which gains sharp definition from the massive yet gracefully tapered front bumper guards. Matching the cellular texture of the grille, which is available in either gold or silver color, is a newly patterned cowl-wide intake beneath the windshield. Wider front fenders which feature new smartly styled hooded headlamp bezels have been created to blend with a lower hood.

Further accentuating the new car's road hugging stability is a highly distinctive side panel treatment.

A narrow chrome belt molding running beneath the door windows provides a sharp two-tone color line. Delicate chrome trim moldings on the top edge of the integral rear fenders lend additional definition to the low profile as do the new slatted chrome vertical sashes on the forward edge of the rear fenders.

Replacing the Cadillac name-plate on the sides of the front fenders is a new Cadillac crest. The Coupe de Ville, Sedan de Ville, Sixty Special and the Eldorado models are identified by script name-plates placed beneath the crest.

PRICES EDGE HIGHER

NEW YORK (AP)—The stock market edged higher once more in quiet early trading today.

Gains ran to around a point and there were a few fractional losers scattered through the list.

Bell's stock opened up 1/4 at 153 1/2, on a block of 2,000 shares, U.S. Steel was up 1/2 at 56 1/2, on an order of 4,000 and later extended this gain to 1/2 a point. Standard Oil (N.J.) was up 1/2 at 134 on 1,500 at the opening but the gain was erased below a point later.

Could This Have Been Fire-Water?

A water jug that "acted as a magnifying glass set fire to William Hornig's pants in his car" Saturday afternoon, according to the belief of some firemen.

Hornig, a resident of Aspers, was working as a clerk at the Dairy Queen establishment on Lincoln Highway East, at the edge of town.

A customer told Hornig his car was afire. Hornig called Gettysburg firemen. Employees in nearby garages brought fire extinguishers. The blaze was extinguished when the firemen arrived.

Firemen "surmised" that water in a jug in the car had "concentrated" the sun's rays through a closed window onto a pair of trousers on the seat of the car. The trousers caught fire and set fire to Hornig's shoes, and that was as far as the blaze progressed when the men with the extinguishers arrived.

SCOUTS IN PARADE

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

Escaped: Two men who were interested and put to prison at Westminster on the charge of robbing Norbeck & Shor's store at Littlestown, made their escape on the night of the 13th inst. The son of the Sheriff Yingling was looking up for the night when one of the men pulled him in the room, shut the door and they made off. Our Sheriff, Mr. Thomas, went down a few days ago with a requisition of the Governor to bring them here for trial; but the birds had flown.

Married: On the 18th inst., by the Rev. G. Roth, Mr. David Hartman, of Menallen township, to Miss Margaret Cosser, of Harrisburg.

On the 18th inst., by the Rev. D. P. Rosenmiller, Mr. W. Gobrecht, of this county, to Miss Rachel Stoner, of Carroll County.

A dreadful mortality took place on board the steamer Uncle Sam, on her passage from San Francisco, in the beginning of September. The cholera broke out, and at least 200 persons died. The deaths were generally very sudden, none surviving over from two to six hours from the time they were attacked. The panic on board was dreadful, wives abandoned their husbands, and husbands their wives, while both abandoned their children. The passage was one of the most uncomfortable and boisterous ever experienced upon the Pacific side, which added to the horrors of the voyage.

The Legislature: From the returns received, it is probable the Senate will stand 17 democrats to 16 opposition, and the House of Representatives about 68 democrats to 32 opposition.

SEVENTY-FIVE YEARS AGO
Organize For Victory! The Democrats are stunned by the results of the October elections. Their columns are reeling under the unexpected blows received in Ohio and Indiana. We have the enemy on the run. But the battle is not yet over. Victory is in the air — grand and overwhelming, if we see fit to grasp it. But there is work to be done, and every Republican should deem it both a privilege and duty to put in hard work from this time to the election. The enemy are desperate. Defeat in November means the break-up of a solid South and a dissolution of the Democratic party. They will struggle desperately to avert the impending disaster, and it behooves Republicans to buckle on their armor, advance the entire Republican line and make the defeat crushing and overwhelming.

Local Items: Wanted — A good reliable woman to do general housework. Apply to Mrs. David A. Buehler.

The McSherrystown Cornet Band made their first appearance in their new uniforms on Thursday evening.

On Monday Prof. Breidenbaugh, with the Senior class of Pennsylvania College, left on their annual geological and mineralogical excursion. They will spend the week in Eastern Pennsylvania, visiting Easton, Allentown, Bethlehem and Mauch Chunk.

Divorced: On Monday, the 11th inst., the Court of Common Pleas of Schuylkill county decreed a divorce from the bonds of matrimony, between Edward L. Wesley and Anna Maria Wesley.

Current News And Notes: The cathedral at Cologne, begun three centuries ago, was completed last week.

The old homestead of John C. Calhoun in South Carolina was destroyed by fire on Sunday.

Marriages: Melcher-Monfort — Oct. 14, by Rev. John Jamison, assisted by Dr. Hay, Rev. O. H. Melcher, pastor of the Lutheran Church at Kintnersville, Bucks County, to Miss Mary E. Monfort, of Gettysburg.

Steinour-Fleming: October 17, at Littlestown, by Rev. E. J. Metzler, Samuel Steinour to Miss Eliza Fleming, both of Gettysburg.

Weaver-Wolf: Oct. 6, by Rev.

Today's Talk

I WISH I HAD!

There is probably nothing so useless as regrets. What a multitude of "I wish I had" folks there are in the world! If it is a good idea, voices come from every direction, saying: "I wish I had thought of that." And here is another: "I wish I had his money," or, "I wish I had his talent." And so on.

Every day we come in contact with such people. To all of us at times, I believe, such wishes come to roost about us, but we had better swallow our pride, and our lost opportunities, and get on our own, and think things out that are better than the ideas of the other fellow. Then we go ahead and get the honest thrills ourselves.

I recall having a very happy afternoon with the late Col. W. R. Nelson, founder of the Kansas City Star, on one of his last visits to New York City. He gave me some wise advice, but here is one thing that he said: "I have always been a leader, and not a follower. As to ideas, no matter how good the idea another has, there is always a better one!" It's the better ideas that make all progress possible.

It serves no purpose to want something that another has. There isn't a single human being who doesn't have some trait, or talent, that no one else has. Emerson suggested that each one of us is unique. But it all sums up to different degrees of uniqueness. We should be grateful to God for all that he has given to each one of us, and continually try to improve our lot and seek the happiness that is reserved for all who have ambition, courage and the will to do.

Recently I read a statement by Ernest R. Breech, chairman of the Board for the Ford Motor Company. He said: "We are building ahead toward a future that is rich with the promise of better things to come." If we think forward, we will go forward!

Just Folks

THE EX-HELPER

I used to dry the dishes and I used to make the toast.
I've often boiled an egg or two and even turned a roast.
I've dusted chairs and tables and I've swept the parlor floor.
But helpful little tasks like those I don't do any more.

I wasn't very skillful, but a willing aid was I.
I used to bathe the children and their bodies I could dry.
But they've grown up, and married and I've settled in my chair.
And when I drop my paper I just leave it lying there.

Time was into the furnace I could deftly shovel coal.
And to another corner the piano I could roll.
I've beaten rugs and carpets with a cane or club or slat.
But no one ever asks me now to do a job like that.

It's not that I'm complaining.
I'm just thinking of the past.
The chores I gladly learned to do were never meant to last.
But when the dinner's over, "yes" I'd cheerfully reply
Should the hostess ever ask if the dishes I would dry.

TRUCK DEATHS
STIR PROBE OF
SAFETY RULES

WASHINGTON (AP)—An Interstate Commerce Commission official says the ICC will shortly propose additional brake regulations for heavy vehicles designed to "substantially reduce the loss of control type of accidents."

The formal statement, made Friday by Commissioner Richard F. Mitchell, chairman of the ICC's motor carrier division, followed a recent series of freight truck accidents in which 10 persons were killed, a number were injured. Damage to property was heavy.

The three mishaps involved runaway trucks at West Newton, Pa., Cumberland, Md., and Kittanning, Pa.

Raps Trucking Industry
Mitchell said that failures by the trucking industry to comply with ICC safety regulations "are clearly evident."

He said trucking mileage has increased 14 per cent in the first half of this year adding that the number of fatal accidents went up 33 per cent while deaths increased 31 per cent.

Meanwhile, in Harrisburg Sen. Albert R. Pechan (R-Armstrong) called for action on a plan to require extra braking equipment on all trucks registered in Pennsylvania.

Separate Brake Set
A bill co-sponsored by Pechan and Sen. John H. Dent, (D-Westmoreland) would make it mandatory for trucks to be equipped with a "separate and independent" set of electrically operated air brakes in addition to factory-installed brakes.

The Senate Highways Committee which is not expected to meet until after Nov. 14 on pending legislation, has the bill.

Back in Washington, the executive committee of the American Trucking Assn. voted "wholehearted support" to the idea that each unit of trailer-tractor combinations have an independent brake system as a means of preventing runaway accidents.

Congressional Inquiry
In another development, Rep. Clark (D-Pa.) said in a telephone interview from his Bessemer home that a congressional investigation should be held to determine whether highway safety laws are adequate, and, if so, whether they are being properly enforced.

Lewis C. Kibbee, secretary of ATA's equipment and maintenance council, said use of two or more brake units "in combination will provide the needed safeguard against complete disability."

He declared in a statement that recent runaways helped "draw public attention to the efforts of the organized trucking industry to improve heavy duty braking systems."

Other Proposals
In Harrisburg, Col. E. J. Henry, state police commissioner, suggested that when truck drivers are going down steep hills they should shift into low gear.

O. D. Shipley, safety director of the Pennsylvania Motor Truck Assn., said that truck manufacturers now have a proposal before the ICC for installation of what he called "a new and effective emergency brake."

"But no matter how good the braking device," Shipley said, "it's useless without proper maintenance."

Die In Shooting

LOOK HAVEN, Pa. (AP)—A double shooting in a crowded restaurant claimed the lives of a 30-year-old man and his estranged wife Saturday afternoon.

Roy Bryerton, Clinton County coroner, said William E. Rippley, an unemployed tinsmith, shot his wife, Ann, 49, and then turned the pistol on himself. They had been married 25 years.

Bryerton said the couple were separated recently and that divorce papers were served on Rippley last week. The Rippleys had four daughters, two of them married.

HUGE HIGHWAY
MEASURE SEEMS
CERTAIN IN 1956

By STERLING F. GREEN

HOT SPRINGS, Va. (AP)—Prospects for congressional passage of a multi-billion-dollar highway program next year appeared greatly brightened Saturday with a statement by Secretary of Commerce Weeks.

The administration, Weeks said yesterday, "would accept bond financing, or a program supported entirely by taxes, or a combination of both" in order to win enactment of a highway bill.

The House rejected last President Eisenhower's giant roadbuilding plan and a Democratic-sponsored version last July amid a dispute over how to pay the costs.

The Eisenhower program called for raising 21 billion dollars through 30-year bonds, while the rival bill by Rep. Fallon (D-Md.) provided for some 12½ billion dollars in added automotive taxes the next 16 years.

Demand Bill

Last-minute attempts to work out a compromise in financing methods drew little support, and Speaker Rayburn (D-Tex.) said the split meant highway legislation was dead for this year and "probably for the next year too." However, Congress members of both parties have since called for passage early next year of a road-building bill. Such a bill with no financing provision has already passed the Senate.

Weeks spoke to a closed meeting of the Commerce Department's business Advisory Council attended by some 90 industrialists, including heads of many of the country's biggest corporations.

After the session, Weeks told reporters he urged the businessmen not to oppose tax increases on highway users that are "fair and equitable across the board."

The secretary said the administration still favors Eisenhower's original plan, but in view of its rejection by Congress the administration will make any "reasonable" concession to get a bill through next year.

Unveil Plaque At
Eisenhower Farm

ELIZABETHVILLE, Pa. (AP)—A bronze plaque now marks the farm home built by President Eisenhower's grandfather 101 years ago in this central Pennsylvania town.

The plaque was unveiled by the President's brother Dr. Milton S. Eisenhower, president of Pennsylvania State University, at ceremonies yesterday. He said:

"If they (the Eisenhower brothers) have lived and strengthened just a little such principles as fear of God, freedom, justice and opportunity, if the family has symbolized these fundamentals, this tablet has a value."

The home is now owned by Mr. and Mrs. Lee W. Phillips. Most of the original house is intact although it has been enlarged and renovated.

Michener Marries

CHICAGO (AP)—Author James Michener, 48, whose books often deal with better understanding between East and West, yesterday married Mari Sabusawa, an American-born woman of Japanese ancestry.

The Rev. Jitsuo Morikawa, pastor of the First Baptist Church of Chicago, performed the ceremony at the Graham Taylor Chapel on the University of Chicago campus.

Mrs. Michener, 35, was born at Las Animas, Colo. It was her first marriage. She is assistant editor of the American Library Assn. Bulletin, Chicago.

Michener, author of "Tales of the South Pacific" and other books, has been married twice previously. Both marriages ended in divorce.

The couple plans a world honeymoon tour, stopping first in Australia.

Veteran Mule Is
Called To Blaze

WALTONVILLE, Ill. (AP)—Officials at Orient mine No. 3 have brought in Pee Wee, a veteran pit mule, to help fight a two-week-old fire in the big southern Illinois coal mine.

All electric power underground has been cut off since the fire started at the mine owned by the Freeman Corp. of West Frankfort, Ill.

Pee Wee, pressed into service Saturday, is helping the handful of men, working without gas masks, to move material and supplies for state mine rescue crews advancing into the area in which the fire is confined.

Pit mules gave way to electric motors at most big mines over 30 years ago.

The 13-year-old Pee Wee was recruited from a little mine.

"She's a pretty smart old coal miner," one miner said. "You can't fool her and she knows what to do."

NEWPORT BEACH, Calif. (AP)—Former child actress Jane Withers and singer Kenneth Errair were married yesterday aboard a yacht.

The ceremony was performed by the Rev. Sam Allison, pastor of the Beverly Hills Presbyterian Church. Mrs. David Rose was matron of honor. Elmo Glorio of Detroit was best man.

This is the second marriage for the 29-year-old actress. She was married to William P. Moss Jr., Texas cattleman, in 1946. They were divorced in 1954. They have three children.

Errair, also 29, has not been married previously. He is a member of the singing group called the "Four Freshmen."

STEVENSON IS
CHARGED WITH
BIG FLIP-FLOP

WASHINGTON (AP)—The political storm over the farm issue has gathered intensity with a Republican blast at two possible Democratic presidential candidates and an official report of further farm price drops.

Republican National Chairman Leonard W. Hall yesterday accused Adlai E. Stevenson of bowing to pressure from Democratic leaders and doing a complete "flip-flop" in endorsing 90 per cent of parity farm price supports.

And he said New York's Gov. Averell Harriman, in recommending the 90 per cent system, "has also advocated return to an unworkable program which piled up seven billion dollars worth of price-depressing farm surpluses in government warehouses."

The report of a further setback in farm prices came from the Agriculture Department. It said prices declined between mid-September and mid-October under the influence of a record output of crops and livestock. The exact amount will be issued in a formal report Friday.

Farm prices already average 4 per cent below a year ago, the department said, while prices of nonfarm goods have climbed.

Neither Stevenson nor Harriman offered an immediate reply to Hall's statement. A Stevenson aide said that before Hall "starts interpreting Gov. Stevenson's position on agriculture, I would think he would try to explain Secretary (of Agriculture) Benson's."

Benson heads the Eisenhower administration program aimed at trimming surplus production and supporting farm prices mainly through a sliding scale of federal price props. This took the place of a Democratic program of 90 per cent of parity payments. Parity is the price paid by law to be fair for farm products in relations to farmers' costs.

Penn State Student

BELLEFONTE, Pa. (AP)—A Pennsylvania State University student was killed and another injured early Saturday when their car hit a tree and rolled over near Bellefonte.

State Police identified the dead student as William McGarvey, 24, Philadelphia. Injured was Alexander Christie, 25, of Philadelphia.

The two were headed for State College when the accident occurred. Christie is in the Centre County Hospital with lacerations of the head, face and body.

The police said both men were freshmen at the university.

Bullets Rally After Ragged Start To Crush Muhlenberg 53-14 For 3rd Grid Triumph

Gettysburg College's Bullets, trailing 14-0 with only three minutes remaining in the first half, suddenly turned loose a fleet of speedy backs Saturday afternoon to crush Muhlenberg, 53-14 before a Mule Homecoming crowd of 4,500 persons at Allentown.

After handing the Mules a pair of scores via a recovered fumble and a blocked punt, the Bullets broke the game wide open with eight long touchdowns runs, longest of which was an 80-yarder by Frank Gagliardi and the shortest being a 19-yard scamper by Mike Duka.

Saturday's win gave Gettysburg three victories in four games, while Muhlenberg has won two and lost three. Gettysburg, winner of 19 of the 36 games played with the Mules in the series that started in 1907, now is the top scoring team in Pennsylvania. The Bullets' 537 yards total offense against Muhlenberg boosted them right back among the eastern leaders.

Mistakes Costly

Gettysburg made a couple of costly mistakes in the first 27 minutes of play Saturday and the fired-up Mules took advantage of two blunders for quick touchdowns. Midway through the opening period, Bullet halfback Duka, who later was to become one of the game's stars, fumbled on his own 20, and six plays later Mule quarterback Bill Keeney sneaked for the score. Fullback Tony Sadtler converted and Muhlenberg led 7-0. The Mules made it 14-0 with three and one-half minutes left in the second quarter after Bruce Pieper's punt was blocked on the Gettysburg 12. Five plays later, Mule halfback Jack McDonald cracked right tackle for the TD and again Sadtler converted.

The Bullets took the kickoff and put the ball in play on their own 16. Halfback Ernie Paliszewski picked up four yards to the 20, and after a pass from quarterback Frank Gagliardi to Paliszewski failed, Gagliardi, on a keeper play, fooled the entire Mule defense and raced 80 yards for a touchdown. Reserve quarterback Jim Soltesz converted, and, with less than two minutes to play in the half, Gettysburg was one touchdown behind.

Eckert Recovers

On the first play from scrimmage after the kickoff, Muhlenberg's Tony Sadtler fumbled and the ball was recovered by Gettysburg tackle Frank Eckert on the Mule 24. Two plays later, Gagliardi passed four yards to Pieper who galloped 20 yards to paydirt. Dave Lichtenfeld converted and the game was tied at halftime.

The Bullets broke the game wide open in the third quarter, piling up 20 points. The first third quarter score—and the one that put Gettysburg in front for keeps—came on the first play from scrimmage following an exchange of punts. Sophomore fullback Frank Capitani took a handoff from Gagliardi, crashed straight into the center of the line, was almost stopped, spun off, and raced 52 yards for the score. Again Soltesz converted and the Bullets were off and winging. The second TD in the period was on a 60-yard pass play. Gagliardi to end Art Hendley, the third on a 64-yard run up the right side by halfback Duka. Duka opened the 19-point fourth quarter by ripping off right tackle for another TD jaunt, this one for 34 yards, and sophomore halfback Don Halley wrapped up the day's work by scoring on runs of 18 and 74 yards, the last one a punt return.

537 Yards Gained

The Bullets displayed a horrendous offense that gained a total of 537 yards with 424 of that coming on the ground. Offensively, Gettysburg was paced by Gagliardi, Capitani and Duka, while on defense, center Sheldon Yingst, tackles Barry DeSantnick and Frank Eckert, guards Barry Attig and Jerry Harrell, and ends Bill Ward and Hendley turned in outstanding jobs.

Gagliardi passed the 2,000 yard mark in career total offense by rushing for 78 yards and a touchdown, and completing four of 11 passes good for 105 yards and two TD's; his total offense for the day was 183 yards in 16 plays. Capitani boosted his season rushing average to 8.1 yards a try by rushing for 70 yards in seven carries and scoring his sixth TD of the campaign. Duka, a second-stringer before Saturday, rushed for 106 yards in five carries for a brilliant 21.2 yards per carry. The Mules were held to a total offense of 96 yards.

Gettysburg takes on probably its strongest foe to date next Saturday when Lafayette comes here for the Homecoming Day attraction.

19 HIGH SCHOOL TEAMS IN STATE ARE UNDEFEATED

HARRISBURG (AP) — Nineteen major high school football teams were on the track to a perfect season today as the 1955 campaign neared the home stretch.

Both the east and west sections of the state boast eight undefeated and untied teams after seven weeks of play while only three teams have unblemished records in the central section.

Last year there were 16 all-winning teams after seven weeks of play and only seven major schools finished with perfect seasons.

Three of last year's select group are on the 1955 list. Lower Merion, with five wins this season, has the longest all-winning streak in the state, 19. Lower Merion's last win came over the weekend at the expense of Upper Darby 33-6.

18 Straight Wins

Mahanoy Twp. and Old Forge, however, are close behind, the Township boasting 18 straight wins including five this season and the Blue Devils holding down 17 straight, also five this year.

Leading the way this year with seven victories each are: Minersville, current leader of the Eastern Conference Southern Division; Warren Section II champion; Johnstown, currently holding the most wins in the WPIAL AA, Turtle Creek, Somerset, Huntingdon, Clearfield and Hollidaysburg.

Victorious in six starts are Swoyersville, Wilkes-Barre Meyers, Clarks Summit, Easton, Williamsport and Carlisle. Williamsport is current leader of the Central Penn. and Carlisle of the South Penn. Both are defending champions.

In addition to Old Forge, Mahanoy Twp. and Lower Merion, Alliquippa also has five wins in as many outings this year while Steelton has a 4-0 record.

But despite the perfect marks of Huntingdon, Somerset, Clearfield and Hollidaysburg, Indiana is currently leading the Western Conference race in the rating system. Indiana, with two league wins and one tie, has a slim 10 point edge over Huntingdon, rated at 490.

In the Eastern Conference, Old Forge and Swoyersville are one-two in the Northern Division standings and they play each other next weekend. Old Forge is rated at 526 with Swoyersville only six points less.

Minersville On Top

In the Southern Division, Minersville holds top perch for the second straight week by virtue of its 33-7 whipping of West Hazleton. Mount Carmel, despite its earlier loss to Coal Twp., is rated in second place at 617, only 62 points behind Minersville.

The WPIAL AA shows only five teams in contention for title honors, including Johnstown with five league wins and Alliquippa with four. Others still in contention in the elimination circuit are Mount Lebanon with four wins and Turtle Creek and Ambridge, each with three.

Lopsided Games

In the Central Penn. Williamsport and Steelton, the present contenders, rolled to lopsided scores in their weekend games. Steelton by 53-0 over Lancaster and the defending champions by 34-6 over Harrisburg William Penn. Williamsport, 4-0 in league play, meets Steelton, 3-0 in the league, later in the season.

In the South Penn, Carlisle took over first place by whipping previously unbeaten Hanover 26-6 for its fourth league win. The defending champs, however, have two more league tilts to play, including one with defending co-champion Mechanicsburg.

TEXAS AGGIES ARE UPSETTING BIG SHOTS IN SW CONFERENCE BUT CAN'T PLAY BOWL CONTEST

By ED CORRIGAN
The Associated Press

Texas A&M won't play in any bowl game this year but they will go down as the surprise of the 1955 college football season.

Most of the September hotshots have faded and the top teams are beginning to seek their own level. But the sophomore-laden Aggies, winners of only one game last year, persist in astounding their opposition in the Southwest Conference — perhaps the roughest league in the country.

Bear Bryant's lads were penalized by the Conference for recruiting too vigorously. They were barred from postseason competition this year. That didn't bother Bryant because even he thought his team was a year or two away.

The Aggies still have four SWC games on their schedule starting with Arkansas this Saturday. Then, on successive weeks, they play Southern Methodist, Rice and Texas. Nothing is certain, of course, in this upset-happy loop, but as George Sauer, whose Baylor club took a 19-7 pasting last Saturday, said:

"I don't see who can stop them."

Expert Hasty Session

No provision has been made by the conference for a substitute team to act as host in the Cotton Bowl New Year's Day, so if the Aggies win the title there will be some hasty executive sessions.

Most of the other conferences are going according to form with the possible exception of the Southeastern. Auburn, one of the few remaining major unbeatens, is riding atop the standings, and Georgia Tech, the favorite, is no better than fourth.

The only hope the Rambler Wrecks have of coming out on top is for Mississippi State to wipe Auburn Nov. 5. Tech, of course, would have to go through the rest of its slate unopposed state with a 5-1 mark, could prove a

TEXAS AGGIES ARE UPSETTING BIG SHOTS IN SW CONFERENCE BUT CAN'T PLAY BOWL CONTEST

problem to Auburn.

Here's how the other major conferences stand:

UCLA Rides High

Pacific Coast—UCLA, the choice, is riding high, the only unbeaten, tied team in league play. Beaten only by Maryland, they have clear sailing until Nov. 19, when they play Southern California in a game that could decide the title.

Big Ten—Michigan, another favorite, is out front, but its 14-13 squeaker over Minnesota Saturday gave a measure of encouragement to Ohio State, which all but eliminated Wisconsin 26-16. Michigan and Ohio State meet Nov. 19, and that could decide the crown.

Big seven—Oklahoma took care of Colorado, the only team figured to give it a run, 56-21. The Sooners now have won 24 in a row and the end isn't in sight.

Atlantic Coast Conference — Maryland seems certain to sail through undefeated and untied and play Oklahoma in the Orange Bowl.

Ivy League Tie

Ivy League—Yale was rated No. 1 at the start but has been unable to shake Princeton. They're tied for the lead and meet Nov. 12. Yale toppled from the undefeated ranks Saturday via a 7-0 defeat by Colgate.

Southern Conference—West Virginia, No. 8 in the country, is tied for lead with little Davidson, each with 3-0. They don't meet, and since Davidson has two more league games to play against one for West Virginia, the Wildcats could win it.

The big game this week will pit unbeaten, untied Navy against once-defeated Notre Dame. The Muddies played under wraps in crushing Penn 33-0 Saturday by way of confusing the Notre Dams' scouts in Franklin Field.

The Irish rebounded from their defeat by Michigan State by clubbing Purdue 22-7.

Brilliant Defense Sparks Biglerville 9-0 Victory Over Susquehannock Squad

Biglerville High School turned in a terrific defensive game to edge Susquehannock 9-0 in a Laurel Conference game on the Cannons' field Saturday evening and thereby snap a three-game losing streak.

Coach Bill Coradetti's linemen, sparked by fine performances of Maynard Gochenauer, Ken Fetters and Ken Pitzer, allowed the Warriors a total of 30 yards on offense and permitted the visitors to cross the midfield stripe only once late in the final period.

After a fine display of defensive ball on the part of both teams in the first period which produced no threats, Biglerville tabbed its only touchdown in the second period.

Early in the quarter Ronnie Koonitz got off a fine 47-yard boot to the Susquehannock 5 which put the visitors in a hole. Unable to gain, Susquehannock punted out to its 29 from where the Cannons drove for their score.

Rentzel Goes Over

Koonitz picked up a yard, Jim May added four and again one before Don Rentzel got away for eight yards to put the ball on the 15. On the next play, Rentzel circled right end to cross goal line. Gene Shaffer kicked the point to make it 7-0.

During the first half Biglerville secured but three first downs while Susquehannock was held to only one.

In the opening moments of the third period the Cannons were unable to capitalize after Dick Wicklick recovered a Warrior fumble on the Susquehannock 45. Bryane Roe and John Contable combined to advance the ball to the 16. On fourth down with two to go and the ball resting on the Warriors' 7, Wallace Rice tried a quarterback sneak but was tossed on the 9.

On the second play of the last period Gochenauer recovered a Susquehannock fumble on the invaders' 26. Again the Cannons were stymied. Jim May pounded out a first down on the 15. Constable picked up seven more yards but the next three plays produced but one yard and Susquehannock took over on the 8.

The visitors soon punted and Roe returned the leather 20 yards to the Warriors' 28. Once again the threat expired, this time on the 19-yard line.

Register Safety

After picking up a first down on the 29, the visitors were in hot water again when two attempted passes backfired. On his first try Cox was trapped and was tossed at the 9-yard line by Gochenauer. The next time Gochenauer and Ralph Mentzer combined to toss him behind the

By THE ASSOCIATED PRESS

You can pardon followers of Juniata and Pitt football fortunes if they walk with their heads a little higher, this week.

Twice-beaten Pitt pulled off one of the big upsets of last weekend, topping Duke, the nation's fifth ranked team, from the unbeaten rolls with a decisive 26-7 victory.

Juniata stretched its winning streak to 13 games as it defeated Dickinson 27-7. The Juniata string is the second longest in the country, topped only the University of Oklahoma's 24 in a row.

Three Undefeated Teams

The list of unbeaten Pennsylvania teams dropped from four to three as California Teachers edged previously unbeaten Slippery Rock, 7-0.

But Drexel and Westminster kept their records unblemished, Drexel taking advantage of fumbles to down Lycoming 33-14 and Westminster trouncing Geneva 33-7.

Penn State tried to right itself after successive setbacks by Army and Navy, but found unbeaten West Virginia, ranked No. 8 in last week's Associated Press poll, too tough. The final was 21-7.

Gettysburg Chases Mules

Lehigh, Lafayette and Gettysburg all won impressively. Lehigh won its fourth straight, defeating Rutgers 21-14 largely on the passing of sophomore quarterback Dan Nolan. Lafayette humbled Bucknell 23-13. Gettysburg spotted Muhlenberg two touchdowns then chased the Mules off the field with a running attack that netted eight scores and a 53-14 victory.

Other games:

Navy outclassed Penn, 33-0; North Carolina State defeated Villanova, 34-13; Carnegie Tech edged Temple, 10-6; Lock Haven trounced Cheyney, 54-0; West Chester defeated East Stroudsburg, 23-20; Albright downed Franklin and Marshall, 20-0; Millersville defeated the National Aggies, 21-7. Hamilton defeated Haverford, 20-13; Clarion outscored Indiana Teachers, 27-17; Waynesburg beat St. Vincent, 13-7; Swarthmore defeated Ursinus, 7-0, in an upset, Lincoln lost to Delaware State, 18-0; Allegheny defeated Grove City, 13-7; Shippensburg whipped Montclair (N.J.) Teachers, 48-0; PMC defeated Wagner, 38-14; Mansfield downed Kutztown, 15-7; Moravian beat Lebanon Valley, 33-7; Bloomsburg edged Kings, 20-19; Wilkes defeated Trenton Teachers, 18-6, and Thiel defeated Washington and Jefferson, 32-7.

Present wage scales were unavailable.

Recheck Alleged New World Record

ATLANTIC CITY, N.J. (AP) — For a brief excited moment the judges of a 30-kilometer race thought they had a new world record.

Washington Booters Defeat Bullets 1-0

The Gettysburg College soccer team dropped a 1-0 decision to Washington College, last year's Middle Atlantic champions, at Chestertown, Md., Saturday afternoon after a hard fought game all the way.

Washington, with eight lettermen from last season's squad, tallied the only goal after two minutes of play in the final quarter.

Dave Byrne, sophomore goalie for the Bullets, played a dazzling game for Coach Bob Davies' squad and was credited with no less than 23 saves.

The Bullets, now 1-3, play at Drexel Wednesday and will be host to Bucknell Saturday.

Senators' Griffith Suffers Hemorrhage

WASHINGTON (AP) — Clark Griffith, 85-year-old president of the Washington Senators baseball club, is reported "very low" from a massive stomach hemorrhage.

Dr. George A. Resta, the team physician, described Griffith's ailment and said "the symptoms are bad." However, he added that he was encouraged by a rise in the baseball executive's blood pressure late last night.

Mrs. Griffith and other family members had gathered at Georgetown University Hospital after Resta described Griffith's chances of recovery as only "fair."

Modern pitchers striving to win 20 games in one season should look back at Charles (Hoss) Radbourne who won 60 games in 1894 for Providence when that city was in the National League.

Colorado was ahead 14-0 then, boom! Oklahoma scored three touchdowns in 7½ minutes and went on to a 56-21 victory.

"It's the greatest football team I've seen on any afternoon," glumly commented Colorado Coach Dallas Ward.

Illinois' Coach Ray Eliot was almost as lavish in his praise of Michigan State, which handed him a 21-7 shellacking. "The best we've met," said Eliot, whose Illinois previously had played California, Iowa State, Ohio State and Minnesota.

One of the proudest of Navy names popped up in the Midshipman's lineup. Thomas P. Forrestal, no relation to the late Navy Secretary James P. Forrestal, starred in Navy's 33-0 triumph over Pennsylvania. He was promoted to the varsity just three days before.

Statistics Corner: Iowa piled up more yardage and more first downs than UCLA yet lost a Friday night game to the Uclans 33-13. . . . Oklahoma now has won 21 straight and scored in its last 100 games. . . . Colgate's 7-0 triumph over Yale was its first over the Eli in 40 years. . . . Nebraska's 18-12 win over Missouri was the first since 1937.

Bullets Rally After Ragged Start To Crush Muhlenberg 53-14 For 3rd Grid Triumph

Gettysburg College's Bullets, trailing 14-0 with only three minutes remaining in the first half, suddenly turned loose a fleet of speedy backs Saturday afternoon to crush Muhlenberg, 53-14 before a Mule homecoming crowd of 4,500 persons at Allentown.

After handing the Mules a pair of scores via a recovered fumble and a blocked punt, the Bullets broke the game wide open with eight long touchdowns runs, longest of which was an 80-yarder by Frank Gagliardi and the shortest being a 19-yard scamper by Mike Duka.

Saturday's win gave Gettysburg three victories in four games, while Muhlenberg has won two and lost three. Gettysburg, winner of 19 of the 36 games played with the Mules in the series that started in 1907, now is the top scoring team in Pennsylvania. The Bullets' 537 yards total offense against Muhlenberg boosted them right back into the eastern leaders.

Mistakes Costly
Gettysburg made a couple of costly mistakes in the first 27 minutes of play Saturday and the fired-up Mules took advantage of two blunders for quick touchdowns. Midway through the opening period, Bullet halfback Duka, who later was to become one of the game's stars, fumbled on his own 20, and six plays later Mule quarterback Bill Keeney sneaked for the score. Fullback Tony Sadtler converted and Muhlenberg led 7-0. The Mules made it 14-0 with three and one-half minutes left in the second quarter after Bruce Pieper's punt was blocked on the Gettysburg 12. Five plays later, Mule halfback Jack McDonald cracked right tackle for the TD and again Sadtler converted.

The Bullets took the kickoff and put the ball in play on their own 16. Halfback Ernie Paliszewski picked up four yards to the 20, and after a pass from quarterback Frank Gagliardi to Paliszewski failed, Gagliardi

19 HIGH SCHOOL TEAMS IN STATE ARE UNDEFEATED

HARRISBURG (AP) — Nineteen major high school football teams were on the track to a perfect season today as the 1955 campaign neared the home stretch.

Both the east and west sections of the state boast eight undefeated and untied teams after seven weeks of play while only three teams have unblemished records in the central section.

Last year there were 16 all-winning teams after seven weeks of play and only seven major schools finished with perfect seasons.

Three of last year's select group are on the 1955 list. Lower Merion, with five wins this season, has the longest all-winning streak in the state, 19. Lower Merion's last win came over the weekend at the expense of Upper Darby 33-6.

18 Straight Wins
Mahanoy Twp. and Old Forge, however, are close behind, the Townshipers boasting 18 straight wins including five this season and the Blue Devils holding down 17 straight, also five this year.

Leading the way this year with seven victories each are: Minersville, current leader of the Eastern Conference 8-0 in the Division; Warren Section II champion; Johnstown, currently holding the most wins in the WPIAL AA, Turtle Creek, Somerset, Huntingdon, Clearfield and Hollidaysburg.

Victorious in six starts are Meyersville, Wilkes-Barre, Swoyersville, Clarks Summit, Easton, Williamsport and Carlisle. Williamsport is current leader of the Central Penn and Carlisle of the South Penn.

In addition to Old Forge, Mahanoy Twp. and Lower Merion, Alliquippa also has five wins in as many outings this year while Steelton has a 4-0 record.

But despite the perfect marks of Huntingdon, Somerset, Clearfield and Hollidaysburg, Indiana is currently leading the Western Conference race in the rating system. Indiana, with two league wins and one tie, has a slim 10 point edge over Huntingdon, rated at 490.

In the Eastern Conference, Old Forge and Swoyersville are one-two in the Northern Division standings and they play each other next weekend. Old Forge is rated at 526 with Swoyersville only six points less.

Minersville On Top
In the Southern Division, Minersville holds top perch for the second straight week by virtue of its 33-7 whipping of West Hazleton. Mount Carmel, despite its earlier loss to Coal Twp., is rated in second place at 617, only 62 points behind Minersville.

The WPIAL AA shows only five teams in contention for title honors, including Johnstown with five league wins and Alliquippa with four. Others still in contention in the elimination circuit are Mount Lebanon with four wins and Turtle Creek and Ambridge, each with three.

Lopsided Games
In the Central Penn. Williamsport and Steelton, the present contenders, rolled to lopsided scores in their weekend games. Steelton by 53-0 over Lancaster and the defending champions by 34-6 over Harrisburg William Penn. Williamsport, 4-0 in league play, meets Steelton, 3-0 in the league, later in the season.

In the South Penn. Carlisle took over first place by whipping previously unbeaten Hanover 26-6 for its fourth league win. The defending champs, however, have two more league tilts to play, including one with defending co-champion Mechanicsburg.

Brilliant Defense Sparks Biglerville 9-0 Victory Over Susquehannock Squad

Biglerville High School turned in a terrific defensive game to edge Susquehannock 9-0 in a Laurel Conference game on the Cannons' field Saturday evening and thereby snap a three-game losing streak.

Coach Bill Coradetti's linemen, sparked by fine performances of Maynard Gochenauer, Ken Fetters and Ken Pitzer, allowed the Warriors a total of 30 yards on offense and permitted the visitors to cross the midfield stripe only once late in the final period.

After a fine display of defensive ball on the part of both teams in the first period which produced no threats, Biglerville tabbed its only touchdown in the second period.

Register Safety
After picking up a first down on the 29, the visitors were in hot water again when two attempted passes backfired. On his first try Cox was trapped and was tossed at the 9-yard line by Gochenauer. The next time Gochenauer and Ralph Mentzer combined to toss him behind the

problem to Auburn. Here's how the other major conferences stand:

UCLA Rides High
Pacific Coast—UCLA, the choice, is riding high, the only unbeaten, united team in league play. Beaten only by Maryland, they have clear sailing until Nov. 19, when they play Southern California in a game that could decide the title.

Big Ten—Michigan, another favorite, is out front, but its 14-13 squeaker over Minnesota Saturday gave a measure of encouragement to Ohio State, which all but eliminated Wisconsin 26-16. Michigan and Ohio State meet Nov. 19, and that could decide the crown.

Big seven—Oklahoma took care of Colorado, the only team figured to give it a run, 56-21. The Sooners now have won 24 in a row and the end isn't in sight.

Ivy League Tie
Ivy League—Yale was rated No. 1 at the start but has been unable to shake Princeton. They're tied for the lead and meet Nov. 12. Yale toppled from the undefeated ranks Saturday via a 7-0 defeat by Colgate.

Southern Conference—West Virginia, No. 8 in the country, is tied for lead with little Davidson, each with 3-0. They don't meet, and since Davidson has two more league games to play against one for West Virginia, the Wildcats could win it.

The big game this week will pit unbeaten, untied Navy against once-defeated Notre Dame. The Middles played under wraps in crushing Penn 33-0 Saturday by way of confusing the Notre Dame scouts in Franklin Field.

A dreadful mortality took place on board the steamer Uncle Sam, on her passage from San Francisco, in the beginning of September. The cholera broke out, and at least 200 persons died. The deaths were generally very sudden, none surviving over from two to six hours from the time they were attacked. The panic on board was dreadful, wives abandoned their husbands, and husbands their wives, while both abandoned their children. The passage was one of the most uncomfortable and bolstorous ever experienced upon the Pacific side, which added to the horrors of the voyage.

The Legislature: From the returns received, it is probable the Senate will stand 17 democrats to 16 opposition, and the House of Representatives about 68 democrats to 32 opposition.

Organize For Victory! The Democrats are stunned by the results of the October elections. Their columns are reeling under the unexpected blows received in Ohio and Indiana. We have the enemy on the run. But the battle is not yet over. Victory is in the air — grand and overwhelming, if we see fit to grasp it. But there is work to be done, and every Republican should deem it both a privilege and duty to put in hard work from this time to the election. The enemy are desperate. Defeat in November means the break-up of a solid South and a dissolution of the Democratic party. They will struggle desperately to avert the impending disaster, and it behooves Republicans to buckle on their armor, advance the entire Republican line and make the defeat crushing and overwhelming.

Today's Talk
I WISH I HAD!
There is probably nothing so useless as regrets. What a multitude of "I wish I had" folks there are in the world! If it is a good idea voices come from every direction, saying: "I wish I had thought of that." And here is another: "I wish I had his money," or, "I wish I had his talent." And so on.

Every day we come in contact with such people. To all of us at times, I believe, such wishes come to roost about us, but we had better swallow our pride, and our lost opportunities, and get on our own, and think things out that are better than the ideas of the other fellow. Then we go ahead and get the honest thrills of life.

I recall having a very happy afternoon with the late Col. W. R. Nelson, founder of the Kansas City Star, on one of his last visits to New York City. He gave me some wise advice, but here is one thing that he said: "I have always been a leader, and not a follower. As to ideas, no matter how good the idea another has, there is always a better one!" It's the better ideas that make all progress possible.

It serves no purpose to wish something that another has. There isn't a single human being who doesn't have some trait, or talent, that no one else has. Emerson suggested that each one of us is unique. But it all sums up to different degrees of uniqueness. We should be grateful to God for all that he has given to each one of us, and continually try to improve our lot and seek the happiness that is reserved for all who have ambition, courage and the will to do.

Recently I read a statement by Ernest R. Breech, chairman of the Board for the Ford Motor Company. He said: "We are building ahead toward a future that is rich with the promise of better things to come." If we think forward, we will go forward!

Just Folks
THE EX-HELPER

I used to dry the dishes and I used to make the toast. I've often boiled an egg or two and even turned a roast. I've dusted chairs and tables and I've swept the parlor floor. But helpful little tasks like those I don't do any more.

I wasn't very skillful, but a willing aid was I. I used to bathe the children and their bodies I could dry. But they've grown up, and married and I've settled in my chair.

And when I drop my paper I just leave it lying there.

Time was into the furnace I could deftly shovel coal. And to another corner the piano I could roll. I've beaten rugs and carpets with a cane or club or spat. But no one ever asks me now to do a job like that.

It's not that I'm complaining. I'm just thinking of the past. The chores I gladly learned to do were never meant to last. But when the dinner's over, "yes" I'd cheerfully reply. Should the hostess ever ask if the dishes I would dry.

TRUCK DEATHS
STIR PROBE OF SAFETY RULES

WASHINGTON, Pa. — An Interstate Commerce Commission official says the ICC will shortly propose additional brake regulations for heavy vehicles designed to "substantially reduce the loss of control type of accidents."

The formal statement, made Friday by Commissioner Richard P. Mitchell, chairman of the ICC's motor carrier division, followed a recent series of freight truck accidents in which 10 persons were killed, a number were injured. Damage to property was heavy.

The three mishaps involved runaway trucks at West Newton, Pa., Cumberland, Md., and Kittanning, Pa.

Raps Trucking Industry
Mitchell said that failures by the trucking industry to comply with ICC safety regulations "are clearly evident."

He said trucking mileage has increased 14 per cent in the first half of this year adding that the number of fatal accidents went up 33 per cent while deaths increased 31 per cent.

Meanwhile, in Harrisburg, Sen. Albert R. Peckham (R-Armstrong) called for action on a plan to require extra braking equipment on all trucks registered in Pennsylvania.

Separate Brake Set
A bill co-sponsored by Peckham and Sen. John H. Dent, (D-Westmoreland) would make it mandatory for trucks to be equipped with a "separate and independent" set of electrically operated air brakes in addition to factory-installed brakes.

The Senate Highways Committee which is not expected to meet until after Nov. 14 on pending legislation, has the bill.

Back in Washington, the executive committee of the American Trucking Assn. voted "wholehearted support" to the idea that each unit of trailer-tractor combinations have an independent brake system as a means of preventing runaway accidents.

Congressional Inquiry
In another development, Rep. Clark (D-Pa.) said in a telephone interview from his Bessemer home that a congressional investigation should be held to determine whether highway safety laws are adequate, and, if so, whether they are being properly enforced.

Lewis C. Kibbee, secretary of ATA's equipment and maintenance council, said use of two or more brake units "in combination will provide the needed safeguard against complete disability."

He declared in a statement that recent runaways helped "draw public attention to the efforts of the organized trucking industry to improve heavy duty braking systems."

Other Proposals
In Harrisburg, Col. E. J. Henry, state police commissioner, suggested that when truck drivers are going down steep hills they should shift into low gear.

O. D. Shipley, safety director of the Pennsylvania Motor Truck Assn., said that truck manufacturers now have a proposal before the ICC for installation of what he called "a new and effective emergency brake."

"But no matter how good the braking device," Shipley said, "it's useless without proper maintenance."

HUGE HIGHWAY MEASURE SEEMS CERTAIN IN 1956

By STERLING F. GREEN
HOT SPRINGS, Va. (P) — Prospects for congressional passage of a multi-billion-dollar highway program next year appeared greatly brightened Saturday with a statement by Secretary of Commerce Weeks.

The administration, Weeks said yesterday, "would accept bond financing, of a program supported entirely by taxes, or a combination of both" in order to win enactment of a highway bill.

The House rejected both President Eisenhower's giant roadbuilding plan and a Democratic-sponsored version last July amid a dispute over how to pay the costs. The Eisenhower program called for raising 21 billion dollars through 30-year bonds, while the rival bill by Rep. Fallon (D-Md.) provided for some 12½ billion dollars in added automotive taxes the next 16 years.

Demand Bill
Last-minute attempts to work out a compromise in financing methods drew little sport, and Speaker Rayburn (D-Tex.) said the split meant highway legislation was dead for this year and "probably for the next year too." However Congress members of both parties have since called for passage early next year of a roadbuilding bill. Such a bill with no financing provision has already passed the Senate.

Weeks spoke to a closed meeting of the Commerce Department's business Advisory Council attended by some 90 industrialists, including heads of many of the country's biggest corporations.

After the session, Weeks told reporters he urged the businessmen not to oppose tax increases on highway users that are "fair and equitable across the board."

The secretary said the administration still favors Eisenhower's original plan, but in view of its rejection by Congress the administration will make any "reasonable" concession to get a bill through next year.

Separated Couple Die In Shooting

LOOK HAVEN, Pa. (P) — A double shooting in a crowded restaurant claimed the lives of a 50-year-old man and his estranged wife Saturday afternoon.

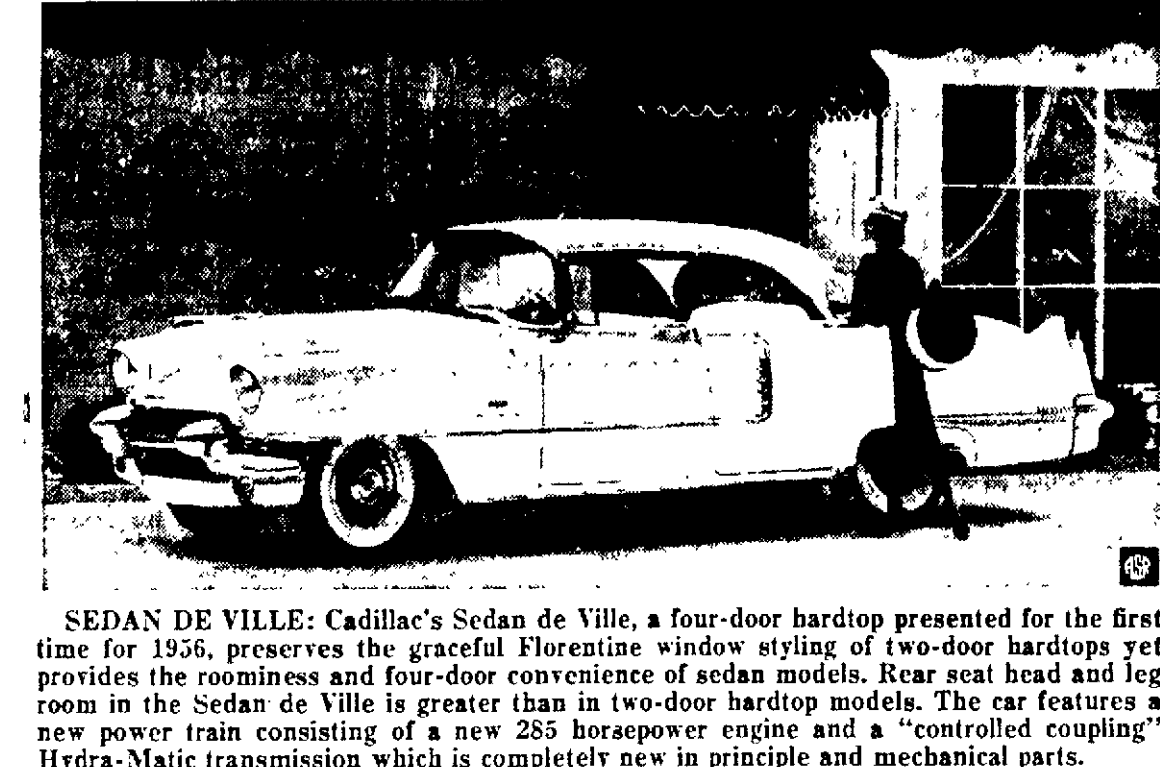

Roy Bryerton, Clinton County coroner, said William E. Rippley, an unemployed tinsmith, shot his wife, Ann, 42, and then turned the pistol on himself. They had been married 25 years.

Bryerton said the couple were separated recently and that divorce papers were served on Rippley last week. The Rippleys had four daughters, two of them married.

The lowest number of winners for a year's top man among American jockeys was 135 in 1951. The top rider was Charles Lang.

Unveil Plaque At Eisenhower Farm

ELIZABETHTOWN, Pa. (P) — A bronze plaque now marks the farm home built by President Eisenhower's grandfather 101 years ago in this central Pennsylvania town.

The plaque was unveiled by the President's brother Dr. Milton S. Eisenhower, president of Pennsylvania State University, at ceremonies yesterday. He said:

"If they (the Eisenhower brothers) have lived and strengthened just a little such principles as fear of God, freedom, justice and opportunity, if the family has symbolized these fundamentals, this tablet has a value."

The home is now owned by Mr. and Mrs. Lee W. Phillips. Most of the original house is intact although it has been enlarged and renovated.

Michener Marries Sunday In Chicago

CHICAGO (P) — Author James Michener, 48, whose books often deal with better understanding between East and West, yesterday married Mari Sabusawa, an American-born woman of Japanese ancestry.

The Rev. Jitsuo Morikawa, pastor of the First Baptist Church of Chicago, performed the ceremony at the Graham Taylor Chapel on the University of Chicago campus.

Mrs. Michener, 35, was born at Las Animas, Colo. It was her first marriage. She is assistant editor of the American Library Assn. Bulletin, Chicago.

Michener, author of "Tales of the South Pacific" and other books, has been married twice previously. Both marriages ended in divorce.

The couple plans a world honeymoon tour, stopping first in Australia.

CHICAGO POLICE ASK PUBLIC AID IN MURDER CASE

CHICAGO (P) — Authorities, who have watched one possible clue after another fade as worthless, made a new bid to the general public today for help in solving the murders of three boys.

In issuing the plea, State's Atty. John K. Gurknecht promised to "protect" anyone supply information.

Also, he warned that, by having and withholding a lead to the crime, a person "may be an accessory for or after the fact."

Promises Protection
The prosecutor said persons with information "may dislike or fear the publicity that may result in their disclosures, but I will be able to protect them."

Law enforcement officials and private citizens have posted rewards totaling \$6,500 for clues leading to the arrest and conviction of the killer or killers of Robert Peterson, 14, and the Schuessler brothers, John, 13, and Anton Jr., 11.

The boys were strangled sometime Sunday night after visiting at least two northwest side bowling establishments in search of an alley on which they could bowl.

After four days of one of Chicago's biggest investigations, the hottest lead appeared to be an old blue automobile.

Several witnesses have reported seeing such a car in a wooded area northwest of the city at various times Tuesday before the boys' naked bodies were found in a ditch there.

Veteran Mule Is Called To Blaze

WALTONVILLE, Ill. (P) — Officials at Orient mine No. 3 have brought in Pee Wee, a veteran pit mule, to help fight a two-week-old fire in the big southern Illinois coal mine.

All electric power underground has been cut off since the fire started at the mine owned by the Freeman Corp. of West Frankfort, Ill.

Pee Wee, pressed into service Saturday, is helping the handful of men, working without gas masks, to move material and supplies for state mine rescue crews advancing into the area in which the fire is confined.

Pit mules gave way to electric motors at most big mines over 30 years ago.

The 13-year-old Pee Wee was recruited from a little mine.

"She's a pretty smart old coal miner," one miner said. "You can't fool her and she knows what to do."

Jane Withers And Singer Are Married

NEWPORT BEACH, Calif. (P) — Former child actress Jane Withers and singer Kenneth Errair were married yesterday aboard a yacht.

The ceremony was performed by the Rev. Sam Allison, pastor of the Beverly Hills Presbyterian Church. Mrs. David Rose was matron of honor. Elmo Glorio of Detroit was best man.

This is the second marriage for the 28-year-old actress. She was married to William P. Moss Jr., Texas cattleman, in 1946. They were divorced in 1954. They have three children.

Errair, also 29, has not been married previously. He is a member of the singing group called the "Four Freshmen."

STEVENSON IS CHARGED WITH BIG FLIP-FLOP

WASHINGTON (P) — The political storm over the farm issue has gathered intensity with a Republican blast at two possible Democratic presidential candidates and an official report of further farm price drop.

Republican National Chairman Leonard W. Hall yesterday accused Adlai E. Stevenson of bowing to pressure from Democratic leaders and doing a complete "flip-flop" in endorsing 90 per cent of parity farm price supports.

And he said New York's Gov. Averell Harriman, in recommending the 90 per cent system, "has also advocated return to an unworkable program which piled up seven billion dollars worth of price-depressing farm surpluses in government warehouses."

The report of a further setback in farm prices came from the Agriculture Department. It said prices declined between mid-September and mid-October under the influence of a record output of crops and livestock. The exact amount will be issued in a formal report Friday.

Farm prices already average 4 per cent below a year ago, the department said, while prices of nonfarm goods have climbed.

Neither Stevenson nor Harriman offered an immediate reply to Hall's statement. A Stevenson aide said that before Hall "starts interpreting Gov. Stevenson's position on agriculture, I would think he would try to explain Secretary (of Agriculture) Benson's."

Benson heads the Eisenhower administration program aimed at trimming surplus production and supporting farm prices mainly through a sliding scale of price props. This took the place of a Democratic program of 90 per cent of parity payments. Parity is the price said by law to be fair for farm products in relations to farmers' costs.

Penn State Student Killed In Car Crash

BELLEFONTE, Pa. (P) — A Pennsylvania State University student was killed and another injured early Saturday when their car hit a tree and rolled over near Bellefonte.

State Police identified the dead student as William McGarvey, 24, Philadelphia. Injured was Alexander Christie, 25, of Philadelphia.

The two were headed for State College when the accident occurred. Christie is in the Centre County Hospital with lacerations of the head, face and body.

The police said both men were freshmen at the university.

STEEP LUCKY BILLS

TRENTON, N.J. (P) — A thief broke into Al's Tavern and took \$150—all in marked bills.

Tavern owner, Albert Angeloni, said yesterday the stolen cash was good luck bills with inscriptions given him by his friends when he moved to the tavern.

number. Some said it was a Ford; others a Plymouth.

Edward Rohlfes, 47, an unemployed laborer, and his daughter, Mrs. Joan Malecke, 19, said they were driving through the forest preserve about two hours before the bodies were found. They said they saw three hatless young men in a weather-beaten blue car near the ditch.

Others had told of seeing an old blue car in the forest preserve earlier Tuesday.

Police said a lie detector test confirmed Rohlfes' report.

But no one got the car's license

THE LOGANPORT
Handsome And Truly Different
Rooms Eight
Bedrooms Four
Closets Eight
Cubage 37,000 ft.
Dimensions 50' x 27'

Because it is such a handsome house with such a strikingly "different" style. "The Loganport" will be a distinctive decorative asset in any neighborhood; it will be equally "at home" on level or sloping ground. An abundance of windows greatly enhances the overall appearance of the house; bay windows plus the small but decorative window looking out on the front terrace add greatly to the appeal of the front of "The Loganport."

Measuring 50' x 27', this house

requires at least a 70 foot lot. Cubage of "The Loganport" is 37,000 feet. A front facing of fieldstone and a clapboard finish on the rest of the house seem best to bring out the distinctive architectural features of this charming home.

Appropriate Plantings

Both the front terrace and the entryway itself can be made as attractive as the home owner desires. Appropriate plantings such as small, friendly shrubs and bushes and the addition of distinctive little "extras," such as an old-fashioned lantern above the front door and a brass knocker on the door, can do much to give the front of "The Loganport" a real personality.

Centrally located on the first floor of the house, the library is a pleas-

ant, well lighted room containing three windows. Bookshelves line the front wall of the room. There also are bookshelves built into the two back corners of the room; thus, the family that lives in "The Loganport" will have no excuse for leaving books lying around on tables, couches, etc.

Can Be Used As Den

If preferred, this room designated as a library could serve as a den or as a guest room. The homemaker can have the room serve two purposes if she so desires.

Although a two-car garage is specified in the accompanying plan, a one car garage can be constructed instead. Such an arrangement should, of course, be made with the building contractor before actual construction is started.

Welcome features in "The Loganport" are the two bathrooms on the second floor. These baths will be especially appreciated during the morning rush by the large family living in this comfortable, well-planned home.

Both the heating plant and the laundry should be installed in the basement of "The Loganport."

PRATT REGRETS BARRING SCRIBE

WASHINGTON (AP)—Albert Pratt, assistant secretary of the Navy for personnel and reserve forces, Friday apologized to a Rhode Island newspaper for barring one of the reporters from a Navy graduation in Newport, R. I., where Pratt made an "off the cuff" address.

Pratt told a reporter from the Providence Journal-Bulletin he did not have time to prepare a written speech and have it cleared with the Defense Department and he did not want the press to report his unprepared speech.

The naval official was quoted as telling the unidentified reporter "I would be very glad to talk with you after the exercises."

When the reporter asked to either be permitted to cover the exercises at the Naval School of Justice at Newport or asked to leave, Capt. William L. Eagleton, commanding officer of the school, told him, "I would be very glad to declare that the doors are closed and that the secretary is speaking off the record."

In a letter to the editor of the Providence newspaper, Pratt said: "I owe you and the press an apology for the unfortunate incident . . . When one of your reporters was refused admittance to the graduation exercises of the current class at the School of Naval Justice in Newport."

Pratt said in the letter he was

SENATORS SEEK FARMERS' OPINION

ST. PAUL, Minn. (AP)—The Democratic-controlled Senate Agriculture Committee was not ready today to follow the lead of two potential party presidential candidates on the big farm issue.

Opening a nationwide tour to weigh farmer views on sagging prices and income, committee members brushed aside—for the time at least—action of Adlai Stevenson and Gov. Averell Harriman of New York advocating a return to high, rigid farm price supports of the Truman regime.

Last week Harriman and Stevenson criticized the Eisenhower administration program of flexible price floors as being inadequate to assure farm prosperity and urged renewal of the old system.

"We want to hear from the farmers themselves before we make any decision on new legislation," said Committee Chairman Ellender (D-La.). His words were echoed by Senators Holland (D-Fla.) and Young (R-ND).

OTTER POINT, Md. (AP)—Twenty-six persons were injured when part of a Pennsylvania Rail Road train was derailed in this northeastern Maryland section yesterday, but only four of them were still hospitalized last night.

Fourteen cars left the tracks. Two were passenger coaches. The rest carried mail.

The train was on its way to Washington from New York. Investigators are seeking the cause.

prepared to talk to "a purely naval audience" and had not cleared his remarks with the Defense Department, adding, "I feel very strongly about permitting the press to attend and report freely every public meeting."

DONORS GIVE HEARTS, LUNGS FOR SURGERY

By FRANK CAREY
NEW ORLEANS (AP)—"Borrowed" hearts and lungs look promising as aides in the surgical treatment of congenital heart defects in children, a team of University of Minnesota surgeons reported today.

They told the 28th annual scientific meeting of the American Heart Assn. that since March 1954, a total of 43 children has undergone surgery with the aid of "controlled cross circulation"—a method in which the patient, in effect, "borrows" the heart and lungs of a donor lying alongside him in the operating room. The method was developed by a Minnesota team.

The idea of the technique is to interconnect the blood systems of patient and donor in such a way that the blood supply to the patient's heart can be cut off without endangering his life. This allows surgeons to operate within the heart in a virtually bloodless field.

Two-Thirds Survive

Dr. H. E. Warden and several colleagues said two-thirds of the 43 children survived and now have comparatively normal hearts. Most of the operations were defects in the muscular wall separating the heart's right and left chambers.

They said a simple mechanical pump helps transfer blood from the patient to the donor so that it may pick up oxygen in the donor's lungs before being returned to the patient's arteries.

First American Oil Well Battle Brews

TORONTO (AP)—Canada has taken issue with Titusville, Pa., as to who has the site of North America's first oil well.

According to a Canada account, the first successful oil well on the continent was brought in 1857 by James Miller Williams in western Ontario's Lambton County at what is now the village of Oil Springs. Edwin L. Drake drilled the Titusville well which came into production Aug. 23, 1859, at eight barrels a day.

CHAMPION BLACK ANGUS IS SOLD

LANCASTER, Pa. (AP)—Erica Eileen Gran, a 2-year-old champion black Angus, has been sold for a record \$5,800 to J. Andrew Harris II of Gwynedd Valley, Pa.

The fancy heifer from Boudnot Farms at Chester Springs, Pa., was sold Saturday at the Keystone Show and Sale at Lancaster. The show was sponsored by the Pennsylvania Angus Assn.

Erica Eileen Gran was named grand champion of Saturday's Keystone Show.

Reserve grand championship went to a heifer from the Pennsylv-

opment of the technique, they related, was the finding that life can be maintained during the procedure with only one-eighth to one-fourth the usual volume of circulating blood.

In some cases, they said, the human donor can be eliminated—with use being made of reservoirs of compatible oxygen-rich blood instead.

vania State University herd. Blackbird Lady P. S., who was purchased for \$2,600 by Dr. Robert Stoner of Lewisburg.

Another grand champion of the Pennsylvania state angus show, Bardonnier Leader, won in the bull division and was sold to Harry L. Magee of Bloomsburg for \$3,600. J. S. Mack of Homer City was the consignor.

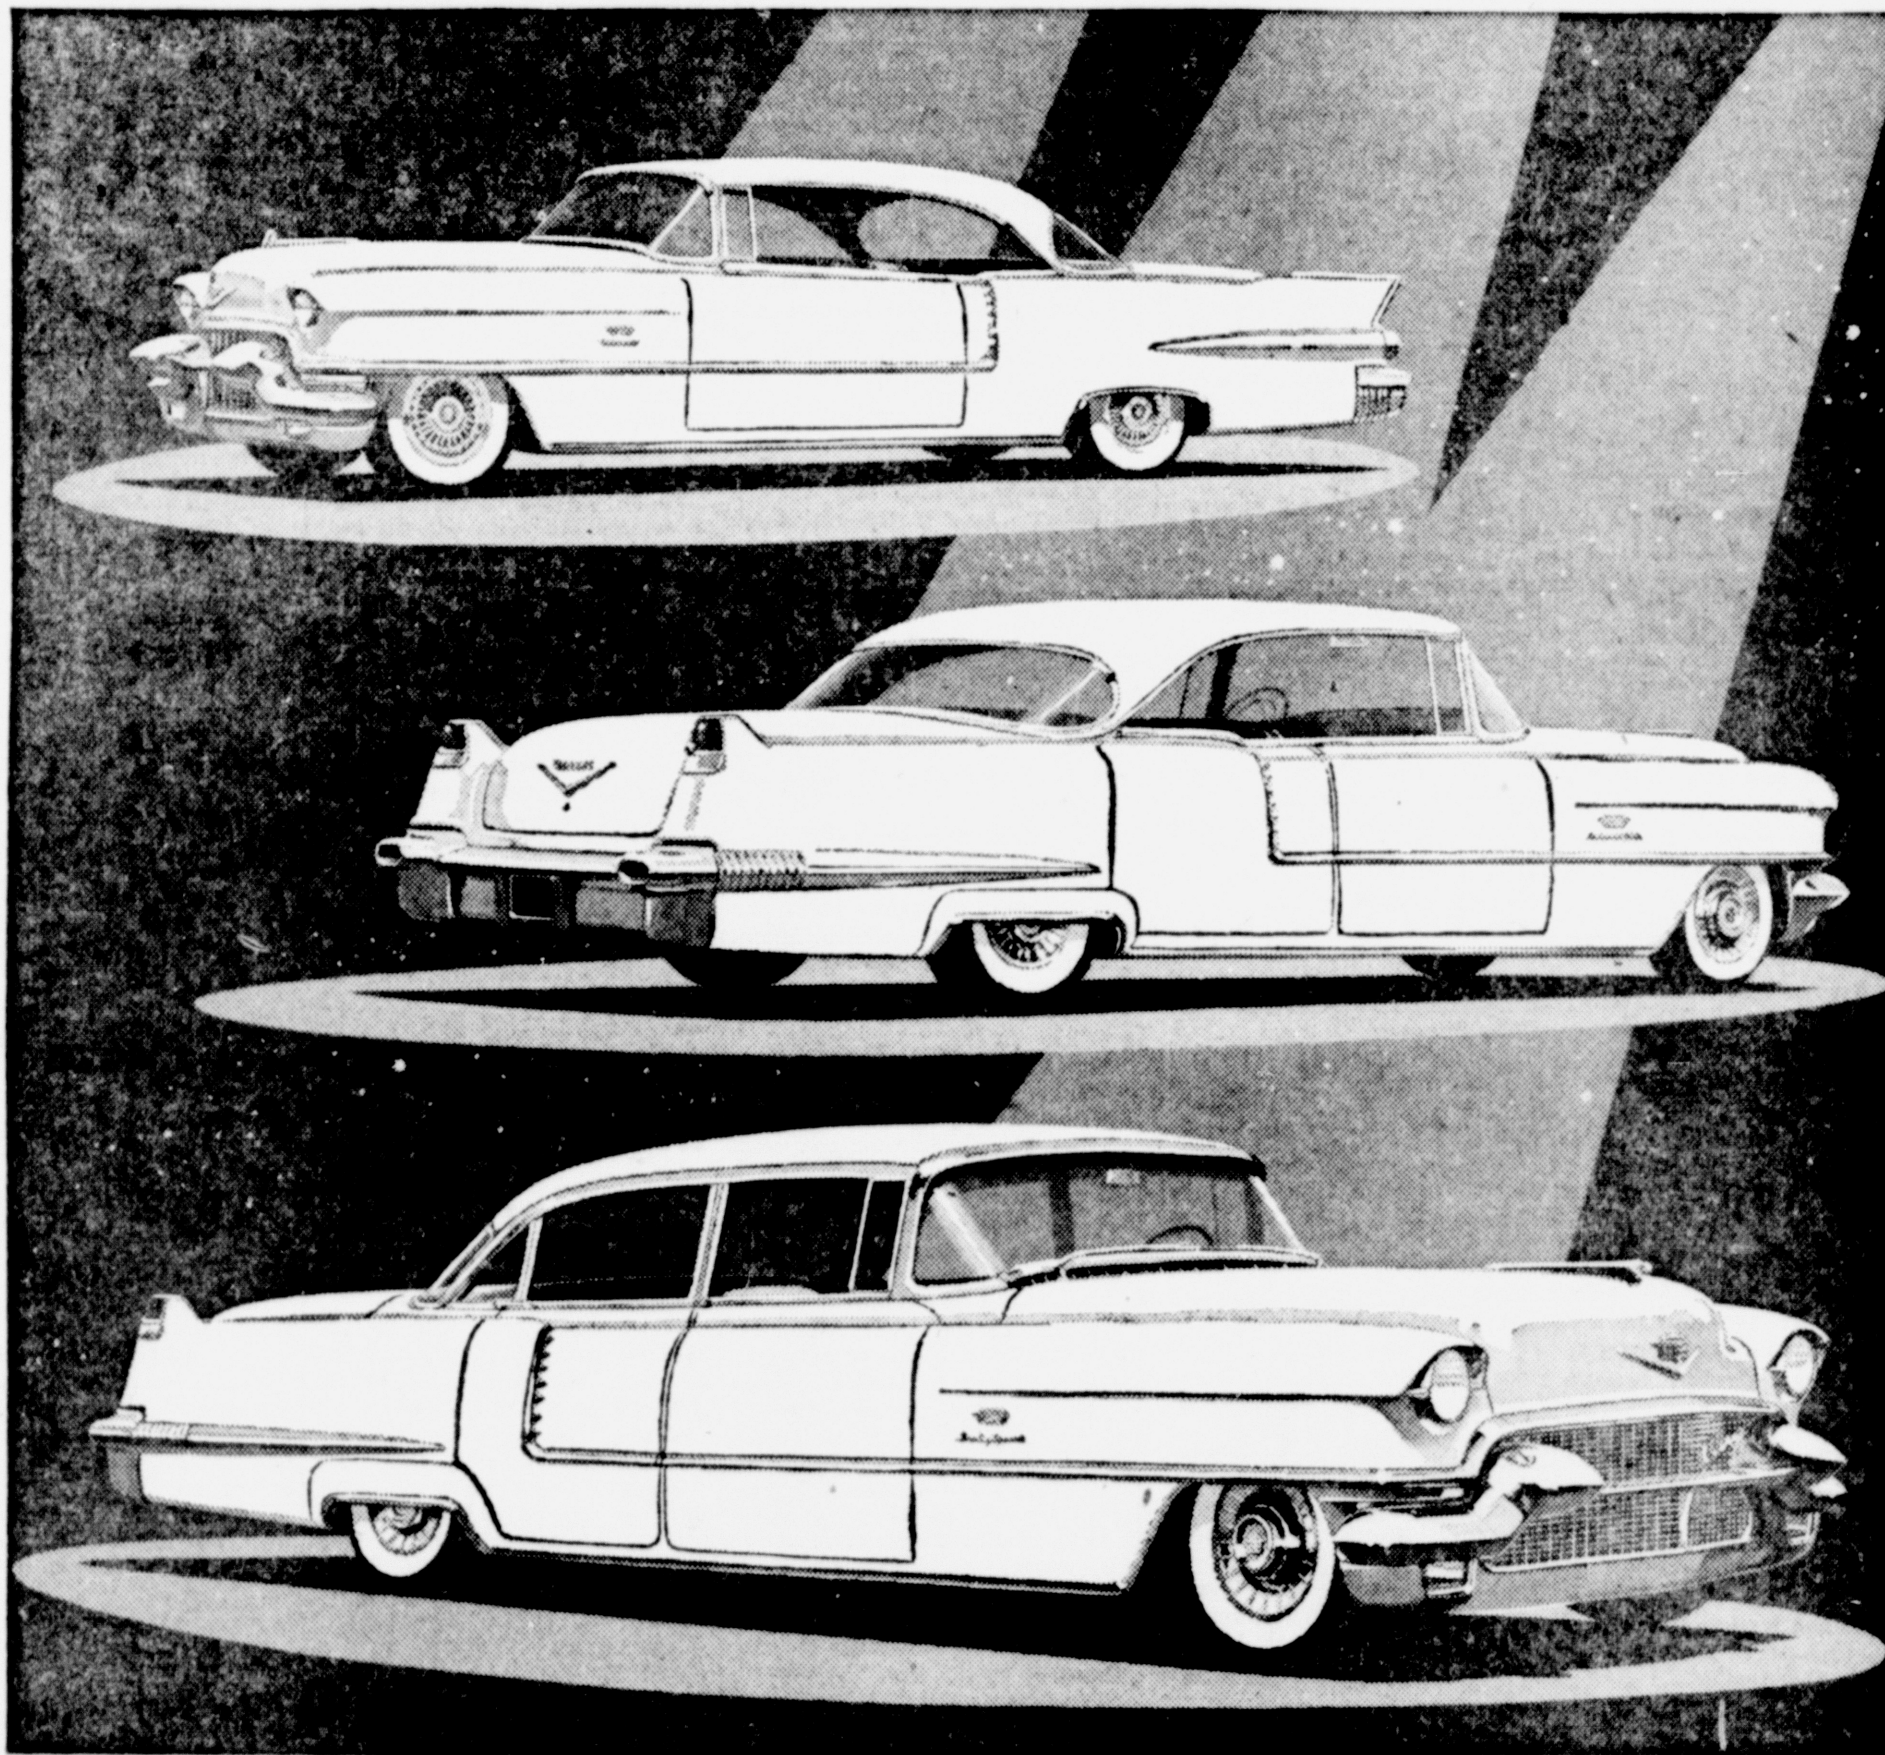

E. B. Bennett of Indiana purchased General Bardonnier of M. L. from J. L. Hankins of Uniontown for \$1,900. General Bardonnier was rated second in the morning show.

CADILLAC for 1956

Top to bottom—Eldorado Seville, Sedan de Ville, Sixty Special

Presenting the Most Inspiring Motor Cars the World Has Ever Seen!

You are looking at three of the most magnificent and inspiring creations ever to issue from the drawing boards of Cadillac's designers and engineers.

These spectacular new Cadillacs—in company with the other Cadillac models for 1956—introduce a standard of automotive excellence that will find no counterpart on the highways of the world.

Where, for instance, could you find anything to match them for beauty and elegance? Their long, low, sweeping lines . . . their jewel-like grille and rear-fender designs . . . their brilliant new color combinations . . . their sparkling highlights of chrome and gold . . . all combine to create a beauty that is truly unique.

Where could you find anything to equal them in luxury? Inside are fabrics of rare richness and pattern . . .

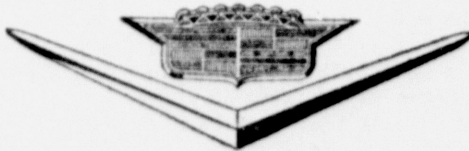

and features of comfort and convenience that will delight even the most experienced Cadillac owner.

And where could you find anything to rival them in performance? There's a completely redesigned Cadillac engine developing 285 and 305 horsepower . . . a new, controlled-coupling Hydra-Matic Drive . . . and advanced Cadillac Power Steering and Power Braking.

This extraordinary new Cadillac beauty . . . and this brilliant new Cadillac luxury . . . and this dynamic new Cadillac performance . . . have been interpreted in four separate series and in nine individual body styles.

We sincerely urge you to stop in for a personal inspection and demonstration at your earliest convenience.

We know you will agree that, in every way, they are the most inspiring motor cars the world has ever seen!

THE LOGANPORT

Handsome And Truly Different

Rooms Eight
Bedrooms Four
Closets Eight
Cubage 37,000 ft.
Dimensions 50' x 27'

Because it is such a handsome house with such a strikingly "different" style, "The Loganport" will be a distinctive decorative asset in any neighborhood; it will be equally "at home" on level or sloping ground. An abundance of windows greatly enhances the overall appearance of the house; bay windows plus the small but decorative a window looking out on the front terrace add greatly to the appeal of the front of "The Loganport."

Measuring 50' x 27', this house

requires at least a 70 foot lot. Cubage of "The Loganport" is 37,000 feet. A front facing of fieldstone and a clapboard finish on the rest of the house seem best to bring out the distinctive architectural features of this charming home.

Appropriate Plantings

Both the front terrace and the entryway itself can be made as attractive as the home owner desires. Appropriate plantings such as small, friendly shrubs and bushes and the addition of distinctive little "extras," such as an old-fashioned lantern above the front door and a brass knocker on the door, can do much to give the front of "The Loganport" a real personality.

Centrally located on the first floor of the house, the library is a pleas-

ant, well lighted room containing three windows. Bookshelves line the front wall of the room. There also are bookshelves built into the two back corners of the room; thus the family that lives in "The Loganport" will have no excuse for leaving books lying around on tables, couches, etc.

Can Be Used As Den

If preferred, this room designated as a library could serve as a den or as a guest room. The homeowner can have the room serve two purposes if so desired.

Although a two-car garage is specified in the accompanying plan, a one car garage can be constructed instead. Such an arrangement should, of course, be made with the building contractor before actual construction is started.

Welcome features in "The Loganport" are the two bathrooms on the second floor. These baths will be especially appreciated during the morning rush by the large family living in this comfortable, well-planned home.

Both the heating plant and the laundry should be installed in the basement of "The Loganport."

BLUEPRINTS AVAILABLE

PRATT REGRETS BARRING SCRIBE

WASHINGTON (AP)—Albert Pratt, assistant secretary of the Navy for personnel and reserve forces, Friday apologized to a Rhode Island newspaper for barring one of the reporters from a Navy production in Newport, R. I., where Pratt made an "off the cuff" address.

Pratt told a reporter from the Providence Journal-Bulletin he did not have time to prepare a written speech and had cleared with the Defense Department and he did not want the press to report his unprepared speech.

The naval official was quoted as telling the unidentified reporter "I would be very glad to talk with you after the exercises."

When the reporter asked to either be permitted to cover the exercises at the Naval School of Justice at Newport or asked to leave, Capt. William L. Ezgleton, commanding officer of the school, told him "I would be very glad to declare that the doors are closed and that the secretary is speaking off the record."

In a letter to the editor of the Providence newspaper, Pratt said: "I owe you and the press an apology for the unfortunate incident. . . . When one of your reporters was refused admittance to the graduation exercises or the current class at the School of Naval Justice in Newport."

Pratt said in the letter he was

SENATORS SEEK FARMERS' OPINION

ST. PAUL, Minn. (AP)—The Democratic-controlled Senate Agriculture Committee was not ready today to follow the lead of two potential party presidential candidates on the big farm issue.

Opening a nationwide tour to weigh farmer views on sagging prices and income, committee members brushed aside—for the time at least—action of Adlai Stevenson and Gov. Averell Harriman of New York advocating a return to high, rigid farm price supports of the Truman regime.

Last week Harriman and Stevenson criticized the Eisenhower administration program of flexible price floors as being inadequate to assure farm prosperity and urged renewal of the old system.

"We want to hear from the farmers themselves before we make any decision on new legislation," said Committee Chairman Ellender (D-La.). His words were echoed by Senators Holland (D-Fla.) and Young (R-ND).

OTTER POINT, Md. (AP)—Twenty-six persons were injured when part of a Pennsylvania Rail Road train was derailed in this northeastern Maryland section yesterday, but only four of them were still hospitalized last night.

Fourteen cars left the tracks. Two were passenger coaches. The rest carried mail.

The train was on its way to Washington from New York. Investigators are seeking the cause.

prepared to talk to "a purely naval audience" and had not cleared his remarks with the Defense Department, adding, "I feel very strongly about permitting the press to attend and report freely every public meeting."

DONORS GIVE HEARTS, LUNGS FOR SURGERY

By FRANK CAREY

NEW ORLEANS (AP)—"Borrowed" hearts and lungs look promising as aides in the surgical treatment of congenital heart defects in children, a team of University of Minnesota surgeons reported today.

They told the 28th annual scientific meeting of the American Heart Assn. that since March 1954, a total of 43 children has undergone surgery with the aid of "controlled cross circulation"—a method in which the patient, in effect, "borrows" the heart and lungs of a donor lying alongside him in the operating room. The method was developed by a Minnesota team.

The idea of the technique is to interconnect the blood systems of patient and donor in such a way that the blood supply to the patient's heart can be cut off without endangering his life. This allows surgeons to operate within the heart in a virtually bloodless field.

Two-Thirds Survive

Dr. H. E. Warden and several colleagues said two-thirds of the 43 children survived and now have comparatively normal hearts. Most of the operations were defects in the muscular wall separating the heart's right and left chambers.

They said a simple mechanical pump helps transfer blood from the patient to the donor so that it may pick up oxygen in the donor's lungs before being returned to the patient's arteries.

First American Oil Well Battle Brews

TORONTO (AP)—Canada has taken issue with Titusville, Pa., as to who has the site of North America's first oil well.

According to a Canadian account, the first successful oil well on the continent was brought in 1857 by James Miller Williams in western Ontario's Lambton County at what is now the village of Old Sarnia. Edwin L. Drake drilled the Titusville well which came into production Aug. 23, 1859, at eight barrels a day.

CHAMPION BLACK ANGUS IS SOLD

LANCASTER, Pa. (AP)—Erica Eileen Gran, a 2-year-old champion black Angus, has been sold for a record \$5,800 to J. Andrew Harris II of Gwynedd Valley, Pa.

The fancy heifer from Boudnot Farms at Chester Springs, Pa., was sold Saturday at the Keystone Show and Sale at Lancaster. The show was sponsored by the Pennsylvania Angus Assn.

Erica Eileen Gran was named grand champion of Saturday's Keystone Show.

Reserve grand championship went to a heifer from the Pennsylv-

opment of the technique, they related, was the finding that life can be maintained during the procedure with only one-eighth to one-fourth the usual volume of circulating blood.

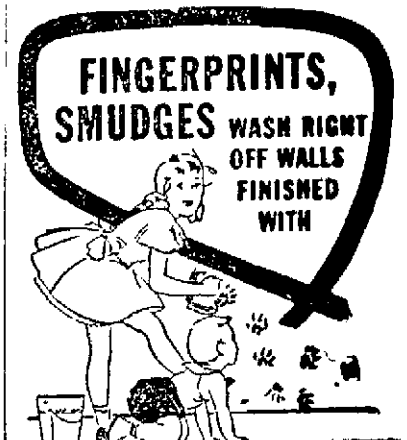

In some cases, they said, the human donor can be eliminated—with use being made of reservoirs of compatible oxygen-rich blood instead.

Yama State University herd. Black-bird Lady P. S., who was purchased for \$2,600 by Dr. Robert Stoner of Lewisburg.

Another grand champion of the Pennsylvania state angus show, Bardonier Leader, won in the bull division and was sold to Harry L. Maize of Bloomsburg for \$3,600. J. S. Mack of Homer City was the consignee.

E. B. Bennett of Indiana purchased General Bardonier of M. L. from J. L. Hankins of Uniontown for \$1,900. General Bardonier was rated second in the morning show.

CADILLAC for 1956

Top to bottom—Eldorado Seville, Sedan de Ville, Seville Special

Presenting the Most Inspiring Motor Cars the World Has Ever Seen!

You are looking at three of the most magnificent and inspiring creations ever to issue from the drawing boards of Cadillac's designers and engineers.

These spectacular new Cadillacs—in company with the other Cadillac models for 1956—introduce a standard of automotive excellence that will find no counterpart on the highways of the world.

Where, for instance, could you find anything to match them for beauty and elegance? Their long, low, sweeping lines . . . their jewel-like grille and rear-fender designs . . . their brilliant new color combinations . . . all combine to create a beauty that is truly unique.

Where could you find anything to equal them in luxury? Inside are fabrics of rare richness and pattern . . .

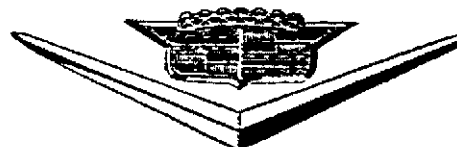

and features of comfort and convenience that will delight even the most experienced Cadillac owner.

And where could you find anything to rival them in performance? There's a completely redesigned Cadillac engine developing 285 and 305 horsepower . . . a new, controlled-coupling Hydra-Matic Drive . . . and advanced Cadillac Power Steering and Power Braking.

This extraordinary new Cadillac beauty . . . and this brilliant new Cadillac luxury . . . and this dynamic new Cadillac performance . . . have been interpreted in four separate series and in nine individual body styles.

We sincerely urge you to stop in for a personal inspection and demonstration at your earliest convenience.

We know you will agree that, in every way, they are the most inspiring motor cars the world has ever seen!

ANXIETY MOUNTS AS G.O.P. WAITS FOR IKE'S WORD

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—The Republican party and its would-be presidents are up a tree until Jan. 1 unless before then President Eisenhower says he won't run again.

Over the weekend Dr. Paul Dudley White, the Boston heart specialist directing Eisenhower's convalescence, said it can't be determined for another two or three months whether his patient has fully recovered.

But a full recovery doesn't mean Eisenhower will try for re-election in 1960. It would seem unlikely, having had one serious heart attack, that he would seek another four years in the White House.

No Proclamations Now
It's generally assumed Eisenhower

won't run. Yet, until he says something one way or the other, the Republican hopefuls who would like to fill his shoes someday can hardly publicly proclaim their candidacy.

That means time lost in building their fences and lining up delegates to next summer's Republican convention.

At the same time the Republican National Committee, which will have to switch some of its plans and much of its thinking if Eisenhower doesn't run.

Counted On Ike
Until Eisenhower's heart attack in September, the Republicans were building their hopes around Eisenhower's running. He was their main hope of winning.

Apparently he still is, if not in person at least by proxy. Judging from their current statements, Republicans seem to think in terms of running on Eisenhower's record if he himself can't run.

Goodwin Knight, California's Republican governor and himself a possible candidate for president, acknowledged last night in the

Meet the Press TV program there's been a lot of confusion in Republican ranks.

Suspense Mounts

So until Eisenhower finally says yes or no about running again, the candidates must mark time and gnaw their fingernails. They're all in a state of suspension now.

Eisenhower knows this. And he has probably made up his mind not to run. But saying so is a matter of timing. His energies have been so restricted by his doctors he has had little time, if any, for political discussions.

He'll need time to talk things over with his advisers and the party's top politicians because of the effect of his announcement—if it's not to run—on his party and its candidates.

Political Differences Remain

The big gulf that separates the thinking of some of the top Republicans, on both foreign and domestic problems, could split the party wide open before the convention unless some way is found to prevent a split.

Eisenhower may try to find that way before stepping out of the picture. For that reason, in order to have time for reflection and consultation, he may wait until January or early February before announcing his decision.
